## ACTIVITY REPORT OF THE IQAC FOR THE ACADEMIC YEAR 2025-2026

The activities of the IQAC for the academic year 2025–26 commenced with a five-day Student Induction Programme for undergraduate freshers titled “STEP-IN,” conducted from 30th June to 4th July 2025 in the Golden Jubilee Seminar Hall and the College Auditorium. The programme commenced with a welcome session for the parents in the Seminar Hall. The Principal, Dr. Amthul Azeez, addressed the gathering and provided an overview of the college.

From the second day onwards, various sessions were held in both venues, covering topics such as the History of the College, Campus Facilities, Importance of Physical Fitness, Mentoring, Health and Wellness, Skill Development, Personality Development, Social Consciousness and Values, Cyber Security, Understanding the Vision and Mission, Curriculum Overview, and Examination and Evaluation Reforms. These sessions were delivered by resource persons from the college.

Additionally, the Student Induction Programme for postgraduate students was conducted on 1st July 2025. Sessions on the History of the College, Research and Resources, Student Progression, and Curriculum and Evaluation were facilitated by various in-house experts.

**Student Induction Programme held from 30th June 2025 to 4th July 2025 in the College Auditorium and Golden Jubilee Seminar Hall**

The IQAC in collaboration with the Malaviya Mission Teacher Training Centre (MMTTC) of the University of Madras organized Faculty Development Programme on “Mastering Classroom Management” for the faculty of both Forenoon and Afternoon sessions for 5 days from 4th August to 8th August 2025. The Comprehensive five-day FDP was designed to empower the faculty members with effective tools and strategies for creating Dynamic and well-managed classrooms.

**Faculty Development Programme on “Mastering Classroom” held from 4th August 2025 to 8th August 2025 in the Golden Jubilee Seminar Hall**

The mentoring session for the odd semester and even semester was conducted on 30th August.2025 and 9th January 2026 for both the Forenoon and Afternoon sessions.

The Bloom and Illuminate programmes were organized by the IQAC to support academically below-average students and advanced learners, respectively on 3rd and 15th September 2025

The Bloom session was conducted by Dr. S. Deepika Kannan, Consultant Psychologist. She provided insights into the importance of meditation and physical activities such as yoga, aerobics, and walking in managing stress and enhancing relaxation, which ultimately helps students improve their concentration and academic performance.

The Illuminate session was led by Ms. Mridhula & Team, Aruvadai Psycological Support service. She and her team focused on SWOT analysis and introduced the VARK learning style model–Visual, Auditory, Read/Write, and Kinesthetic–highlighting its psychological significance in improving learning outcomes.

**Bloom and Illuminate programmes were organized respectively on 3rd and 15th September 2025**

The Anti-Discriminatory Cell conducted a guest lecture on the topic Artificial Intelligence – Tool for preventing gender discrimination on 19th September 2025. The resource person for the event was Mr. Venkataramanan, Project manager, Capgemini. The talk covered the basic understanding of artificial intelligence, generative AI, deep learning AI, machine learning followed by a group activity with the students involving the concepts of AI. The programme benefited 170 students of both Forenoon and Afternoon Session.

The IQAC organized a one day Gender Sensitization Seminar on “Gynic, Gut & Grit – A gateway to women’s wellness” with the PG department of Home Science on 24th September 2025. The seminar aimed to shed light on the vital aspects of health, sustainability, and holistic well-being among women.

On 13th November 2025, a meeting with the Management was conducted under the banner of a Stakeholder Meet.

**Stakeholder Meet with the Management held on 13th November 2025**

A five-day Non-Teaching Staff Training Program on Advanced Excel and Generative AI was conducted for the office staff from 10.11.2025 to 14.11.2025, with 31 participants, organized by the Tamil Nadu Advanced Technical Training Institute. The programme aimed to enhance administrative efficiency, data-handling skills, and digital competency among non-teaching personnel.

**Non-Teaching Staff Training Program on Advanced Excel and Generative AI was conducted for the office staff from 10th November 2025 to 14th November 2025**
