

Health Service- JBAS College

formerly S.I.E.T
Justice Basheer Ahmed Sayeed
College for Women - Autonomous

The college clinic was set up in 1964 with one doctor. She was appointed as a medical officer for the hostel and the college.

With the induction of an evening college in 2001, a separate medical officer was appointed for the same.

At present, the college clinic has two qualified doctors as medical officers

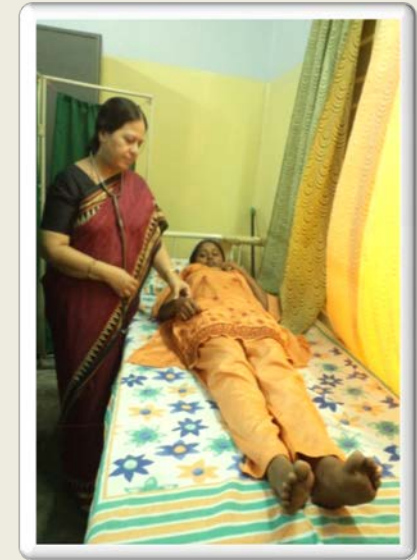

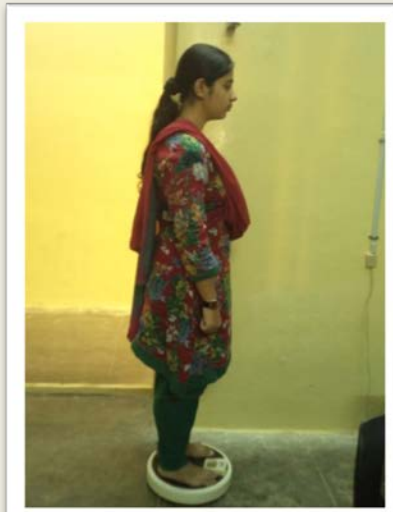

Dr. V. Kalaiselvi ,M.B.B.S., D.I.H. for the Forenoon Session.

Dr. Shahida Habeeb, M.B.B.S. F.A.I.M.S for the Afternoon Session.

SERVICES PROVIDED AT THE CLINIC

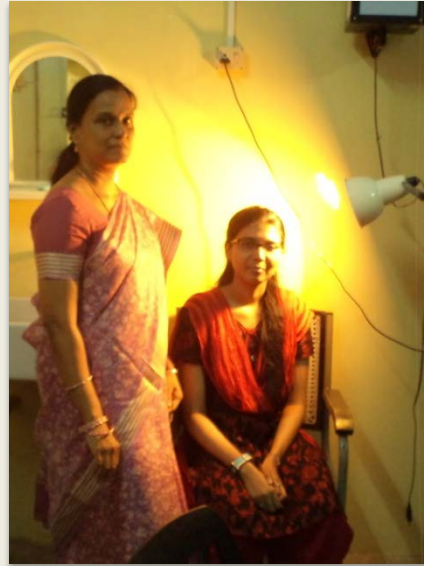

- Medical check up of all the first-year students, both undergraduates and post graduates.
- General OP, where the students and staff consult with the doctors for their ailments and get treated.
- Most of the emergencies like hypo-glycemia, allergies, fits and injuries are handled by the medical officers promptly.
- In case of extreme severity of emergency the student or faculty member is shifted to a nearby hospital (Girishwari Hospital or Venkateshwara Hospital) after information regarding the same is given to a family member or a friend.

COUNSELLING SERVICES

Counseling regarding:

- Health
- Family health
- Menstrual Health
- Food and nutrition
- Emotional health values, etc. are provided.

The doctors also treat the students and staff of the following institutions in case of any illness:

- Boys' school
- Girls School
- Dyslexia school
- VTI
- Nursery school
- SIET Office

In coordination with the NSS health camps are also conducted periodically to spread awareness regarding various health issues.
