INTERNAL QUALITY ASSURANCE CELL (IQAC)

BLOOM: Towards The Road Of Success

On 20th August 2026, the Internal Quality Assurance Cell (IQAC) organized a workshop titled “Enhancing Study Skills – BLOOM: Towards the Road of Success” at the Golden Jubilee Seminar Hall, Justice Basheer Ahmed Sayeed College for Women (Autonomous), Chennai. The programme was conducted with the objective of equipping students with effective study skills and learning strategies to achieve academic success. The programme commenced with Prayer and Welcome Address. The training session was facilitated by Mrs. Alima Zehra, Head, Department of Psychology, CTTE College for Women, and Founder, Psywell Psychological Support Services, who spoke on enhancing study skills. She introduced the students to various techniques for effective learning, time management, concentration, and memory enhancement, and encouraged them to adopt positive study habits for academic excellence. This was followed by an Interactive and Feedback Session, where students actively participated, shared their experiences, and clarified their doubts. The programme concluded with Vote of Thanks and National Anthem. The workshop was highly informative and motivating, providing valuable insights into effective learning practices and inspiring students to make the most of their academic journey. The participants attended the programme with great enthusiasm and actively engaged throughout the sessions.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

ILLUMINATE: Towards The Peak Of Excellence

On 19th August 2026, the Internal Quality Assurance Cell (IQAC) organized a workshop titled “Road for Recognition – ILLUMINATE: Towards the Peak of Excellence” at the Golden Jubilee Seminar Hall, Justice Basheer Ahmed Sayeed College for Women (Autonomous), Chennai. The programme was conducted with the objective of empowering students towards achieving excellence and understanding the roadmap for institutional recognition and quality enhancement. The programme commenced with Prayer, followed by Welcome Address. The training session was facilitated by Ms. Akshaya Balaji, Champion Woman Facilitator, who spoke on “Road for Recognition.” She enlightened the participants on quality benchmarks, best practices for excellence, and strategies for institutional growth, and encouraged them to actively contribute towards the peak of excellence. This was followed by an Interactive and Feedback Session, where participants shared their views and clarified their doubts, making the session highly engaging and participatory. The programme concluded with Vote of Thanks and National Anthem. The workshop was highly informative and motivating, providing valuable insights into quality enhancement and inspiring the faculty to strive towards excellence. The participants attended the programme with great enthusiasm and actively engaged throughout the sessions.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

Workshop for Non-Teaching Staff

On 29th August 2026, the Internal Quality Assurance Cell (IQAC) organized a Workshop for Non-Teaching Staff titled "Let Us Act with Empathy: Let Us Create a Caring Campus!" at the Sports Pavilion, Justice Basheer Ahmed Sayeed College for Women (Autonomous), Chennai. The programme was conducted with the objective of fostering empathy and creating a caring and supportive campus environment. The programme commenced with Prayer, followed by Welcome Address. The Workshop Session was facilitated by Ms. Mahamudha, Soft Skill Trainer & Life Coach, who emphasized the importance of empathy, compassionate communication, and interpersonal understanding in the workplace. She engaged the participants through insightful discussions and activities, encouraging them to act with empathy and contribute towards building a caring campus. This was followed by an Interactive and Feedback Session, where participants shared their experiences making the session highly. The programme concluded with Vote of Thanks and National Anthem. The workshop was highly informative and motivating, providing valuable insights into empathetic behaviour and inspiring the participants to create a positive and caring work environment.

INTERNAL QUALITY ASSURANCE CELL (FN)

Workshop for Non-Teaching Staff

On 29th August 2026, the Internal Quality Assurance Cell (IQAC) organized a Workshop for Non-Teaching Staff titled “Own It, Live It, Excel: Cultivating Commitment at Work” at the Sports Pavilion Hall, Justice Basheer Ahmed Sayeed College for Women (Autonomous), Chennai. The programme was conducted with the objective of cultivating commitment, ownership, and excellence at work among the non-teaching staff members. The programme commenced with Prayer, followed by Welcome Address. The Activity-Based Workshop was facilitated by Mr. Vishal Khedkar, Founder & Experiential Learning Architect; Ms. Divya V, Co-Founder & Activity-Based Learning Specialist; and Mr. Aejaz Ahmed, CLO & Experiential Engagement Specialist, Skill Enhancement Academy. They engaged the participants through experiential and activity-based learning, highlighting the importance of ownership, responsibility, teamwork, and commitment in the workplace, and encouraged them to excel in their roles. The workshop was highly informative and motivating, providing valuable insights into work commitment and inspiring the participants to contribute effectively towards institutional growth. The participants attended the programme with great enthusiasm and actively engaged throughout the sessions.

NATIONAL SERVICE SCHEME UNIT (FN).

Mass Anti-Drug Pledge Programme

On 11 August 2026 at 10.00 a.m., the National Service Scheme (NSS) organized a Mass Anti-Drug Pledge Programme in front of the College Auditorium. The programme was conducted under the theme “Drug-Free Tamil Nadu” with the objective of creating awareness about the dangers of drug abuse and encouraging students and the wider college community to take a firm stand against substance abuse. The programme brought together the entire college community in a collective effort towards promoting a drug-free society. The Principal, Vice Principals, teaching and non-teaching staff, students, and NSS volunteers participated in the programme with great enthusiasm and commitment. The collective pledge served as a powerful reminder of the harmful consequences of drug abuse and the importance of maintaining a healthy and drug-free lifestyle. The active participation of the entire college community made the programme meaningful and impactful. The Mass Anti-Drug Pledge Programme successfully strengthened awareness and a sense of collective responsibility among the students and staff. It encouraged the college community to stand united against drug abuse and contribute towards building a safer and healthier society. The programme truly reflected the values of youth participation, social responsibility, and service embodied by the National Service Scheme and its motto, “Not Me But You.”

NATIONAL SERVICE SCHEME UNIT (FN)

International Youth Day Celebration

On 12 August 2026, the National Service Scheme (NSS), organized an International Youth Day Celebration at Room No. 219, DJ Block. The programme was organized to celebrate the importance of youth in society and encourage students to recognize their abilities, develop confidence, and take meaningful action towards creating positive social change. The programme commenced at 11.00 a.m. and featured two resource persons who addressed the students on topics related to youth empowerment and positive social contribution. Ms. M. G. Naziya Sultana, M.Sc. Counselling Psychology, SDNB Vaishnav College for Women, Chennai, delivered a session on “You Don’t Have to Be a Psychologist to Make a Difference.” Her session emphasized that every individual has the ability to support, encourage, and positively influence others without necessarily being a trained psychologist. The second session was delivered by Ms. Nithyasri S., B.A. Political Science, JBAS College, on the topic “The Power of Youth: From Dreams to Action.” The session highlighted the potential of young people to transform their dreams and ideas into purposeful action. The students were encouraged to develop initiative, responsibility, and confidence and to actively contribute to the betterment of society. A total of 50 students participated in the International Youth Day Celebration with enthusiasm. The sessions provided the participants with valuable perspectives on personal growth, social responsibility, leadership, and youth participation. The interaction with the resource persons made the programme informative and motivating. The celebration was concluded as it helped students understand that meaningful change can begin with individual initiative and responsible action. And served as a platform for youth empowerment, reflecting the values of teamwork, service, responsibility, and the NSS motto, “Not Me But You.”

NATIONAL SERVICE SCHEME UNIT (FN)

Independence Day Celebration Talk

On 13 August 2026, the National Service Scheme (NSS), with its guiding motto "Not Me But You," organized an Independence Day Celebration Talk at the Library Convention Hall. The programme was organized on the theme "Green Transition for Developed India: The Message of India's 80th Independence Day." The session aimed to create awareness among students about India's journey of development and the importance of adopting sustainable approaches for building a developed and environmentally responsible nation. The programme commenced at 11.00 a.m. with the participation of students and NSS volunteers. The resource person for the programme was Dr. R. Saravanan, M.A., M.Ed., M.B.A., PGDJPR., PGDPMIR., PGDCA., Ph.D., Assistant Professor, PG & Research Department of Historical Studies, Pachaiyappa's College, Chennai-30. Dr. R. Saravanan addressed the students on the significance of India's Independence and the message of India's 80th Independence Day. His session focused on the concept of a green transition for a developed India and encouraged students to understand the importance of sustainable development and responsible citizenship. The programme provided an opportunity for students to reflect on the progress of the nation and the responsibilities of the younger generation in contributing to India's future. A total of 65 students attended the programme and participated with interest and enthusiasm. The session served as an informative platform for students to gain a broader understanding of India's development aspirations and the relevance of environmental responsibility in nation-building. The Independence Day Celebration Talk was successfully conducted and created awareness among students about the importance of sustainable development and their role as responsible citizens.

NATIONAL SERVICE SCHEME UNIT (FN)

Sadbhavana Day Pledge

On 20 August 2026, from 12.00 p.m. to 1.00 p.m., the National Service Scheme (NSS) organized a Sadhbhavana Day Pledge Programme at the Reading Area near the Library. The programme was organized with the primary objective of reaffirming the values of peace, unity, harmony, and mutual understanding among students. The programme mainly focused on the Sadhbhavana Day Pledge. Before taking the pledge, Dr. K. A. Parveen Begum, NSS Programme Officer, addressed the students and briefly explained the significance of Sadhbhavana and the importance of maintaining harmony and unity in society. Following the address, the students gathered together and collectively took the Sadhbhavana Day Pledge. The pledge served as a reaffirmation of their commitment to promoting harmony, respecting one another, maintaining peaceful relationships, and contributing towards a united society. The students participated in the pledge with sincerity and enthusiasm, making it the central part of the programme.

A total of 40 students participated in the programme. The collective pledge created a strong sense of unity and shared responsibility among the participants. It encouraged the students to uphold the values of harmony, peace, and mutual respect in their daily lives. The Sadhbhavana Day Pledge Programme was successfully conducted and provided a meaningful opportunity for students to reaffirm their commitment to national unity, communal harmony, and peaceful coexistence.

NATIONAL SERVICE SCHEME UNIT (FN)

Food Safety Poster-Making Competition

On 11 August 2026, the National Service Scheme organized a Food Safety Poster-Making Competition at the Reading Place near the Library. The programme was conducted under the theme “Eat Safe, Stay Healthy,” with emphasis on preventing food contamination and foodborne illnesses. The activity aimed to create awareness among students about the importance of food hygiene and safe food consumption. The participants creatively presented various messages related to food safety, hygiene, contamination prevention, and healthy food practices through their posters. Dr. G. Lubna Banu, Associate Professor and Assistant Head, Department of Home Science, Justice Basheer Ahmed Sayeed College for Women, served as the judge for the competition. The programme also featured an awareness session by Mr. K. Tamilselvan, designated Food Safety Officer, Tamil Nadu Food Safety Department. He educated the students about the importance of food safety and explained the role of a Food Safety Officer in ensuring compliance with food safety regulations. He highlighted the importance of checking product seals, manufacturing dates, expiry dates, and FSSAI registration numbers before purchasing or consuming food products. He also created awareness about identifying and avoiding substandard or illegally coloured food products. The programme provided students with both a creative platform and practical knowledge about food safety. It encouraged them to become responsible consumers and spread awareness about safe food practices in their families and communities.

NATIONAL SERVICE SCHEME UNIT (FN)

Swachh Bharat Abhiyan

On 11 August 2026 at 10.00 a.m., the National Service Scheme (NSS), with its guiding motto “Not Me But You,” organized a Swachh Bharat Abhiyan – College Campus Cleaning Drive at the College Campus. The programme was organized under the theme “Building a Cleaner, Greener and More Sustainable India through Shared Civic Responsibility, Waste Management, and Public Hygiene.” The drive aimed to promote cleanliness, proper waste management, public hygiene, and a sense of civic responsibility among NSS volunteers. A total of 50 NSS volunteers took part in the cleanliness drive with enthusiasm and dedication. The volunteers participated in cleaning activities across the college campus and worked collectively towards maintaining a clean, hygienic, and pleasant environment. The cleaning drive provided the volunteers with an opportunity to understand the importance of personal and public hygiene and responsible waste management. Through their active involvement, the volunteers contributed towards creating a cleaner campus and demonstrated the importance of collective action in maintaining environmental cleanliness. The programme helped develop a sense of responsibility and awareness among the volunteers regarding cleanliness and environmental sustainability. It encouraged them to carry the message of cleanliness beyond the campus and become responsible citizens who actively contribute to the well-being of society.

NATIONAL SERVICE SCHEME UNIT (FN)

Cyber Security Oratorical Competition

On 5 August 2026 at 11.30 a.m., the National Service Scheme (NSS), with its guiding motto “Not Me But You,” organized a Cyber Security Oratorical Competition at the Reading Place near the Library. The competition was conducted on the topic “Safe Internet Practices for Students” under the theme “Think Before You Click – Stay Safe Online.” The programme aimed to create awareness among NSS volunteers about cyber security, responsible digital citizenship, and safe internet practices. The programme commenced with a welcome address, followed by the introduction of the judge, Dr. V. Malarkodi, Associate Professor and Head, Department of Tamil (A.N.). She encouraged the participants to express their ideas confidently and emphasized the importance of cyber awareness in today’s digital world. A total of 30 NSS volunteers attended the programme, with 19 students participating in the oratorical competition. The competition provided students with an excellent platform to improve their public speaking skills while spreading awareness about responsible online behaviour . The programme was highly informative, engaging, and successful in promoting awareness about cyber safety among NSS volunteers. The competition concluded successfully with active participation from the students. It encouraged the volunteers to become responsible digital citizens and practise safe internet habits in their daily lives. The programme truly reflected the values of the National Service Scheme and its motto, “Not Me But You.

CENTER FOR WOMENS STUDIES (FN)

International Youth Day Programme And Inaugural Ceremony

The Centre for Women's Studies organised the International Youth Day Programme and Inaugural Ceremony on 12 August 2026 at the Library Convention Hall. The programme was conducted to commemorate International Youth Day on the theme "Empowering Young Women through Awareness, Safety and Leadership." The event was honoured by the presence of Ms. V. Shyamala Devi, IPS, Superintendent of Police (Crime Against Women), Singappen Special Force, Chennai, as the Chief Guest. She addressed the students on the importance of youth participation, women's safety, awareness, leadership, and social responsibility. Her insightful address encouraged the students to become responsible and active contributors to society. The programme also marked the inauguration of the activities of the Centre for Women's Studies, setting the stage for various initiatives and programmes aimed at empowering young women through awareness, education, and leadership. The programme was organised with the objectives of empowering youth through awareness, leadership, and social responsibility, promoting women's safety, and encouraging active participation in society. The event concluded with a note of gratitude to the Chief Guest, faculty members, and students for their valuable participation and support.

YOUNG ENTREPRENEUR DEVELOPMENT COUNCIL (FN)

Inauguration Ceremony And Awareness Programme

The Young Entrepreneur Development Council (YEDC) organised the Inauguration Ceremony and Awareness Programme for the academic year 2026–2027 on 20 August 2026. The programme marked the formal commencement of YEDC activities for the new academic year and brought together the newly appointed office bearers, faculty members, students, and former Council members. The Chief Guest and Resource Person was Mrs. Begum Seema Ahmed, Co-founder of Amaani Fine Jewelleries and alumna of the Department of Psychology. The distinguished dignitaries on the dais included Dr. Shahira Banu, Vice Principal; Dr. Moina Mohammed Amjad, Head of the Department of Commerce; Dr. Rayeesunisa, Associate Professor, Assistant HOD and IEDP Advisory Committee Coordinator; and Dr. Farida I, YEDC Coordinator. The programme commenced with an invocation to the Almighty, followed by the Welcome Address delivered by Dr. Rayeesunisa. The highlight of the programme was the Inaugural and Awareness Address by the Chief Guest and Resource Person, Mrs. Begum Seema Ahmed. Sharing her entrepreneurial journey, she spoke about how her interest in jewellery and conversations about jewellery designing with her friend during the COVID-19 period gradually developed into a business idea. What began with designing jewellery for friends and exploring sources for their designs eventually inspired them to consider turning their creativity into a business.

She spoke candidly about the challenges involved in pursuing one's ambitions, particularly for women, and emphazised the importance of balancing family responsibilities with professional aspirations. She encouraged the students, especially women, to remain committed to their dreams and not allow difficulties to make them abandon their goals. A key message of her address was that talent, financial resources, and courage can open the door to opportunities, while perseverance, integrity, and trustworthiness enable a person to sustain and grow in their entrepreneurial journey. Her experiences and insights provided the students with an encouraging and practical perspective on entrepreneurship, resilience, and the pursuit of their aspirations. Following the address, the Chief Guest distributed badges to the newly appointed YEDC office bearers for the academic year 2026–2027, formally recognizing their roles and responsibilities within the Council. Prizes were subsequently distributed to the Students' Bazaar winners in recognition of their entrepreneurial efforts and achievements. Trophies were also presented to the former YEDC Council members as a gesture of appreciation for their contributions and service during the previous academic year. The programme successfully set the tone for the new academic year by recognising the contributions of the previous Council, formally welcoming the newly appointed office bearers, and encouraging students to pursue entrepreneurship with courage, perseverance, integrity, and a willingness to turn ideas into action.

BALISE CLUB (FN)

LAUNCHPAD '26

The Balise Club of the Career Guidance and Placement Centre organized LAUNCHPAD '26 on 7 August 2026 for all final-year students. The event was organized under the guidance of the Placement Officer, Mrs. Jayanthi Sivagami, with the theme "New Faces. New Voices. New Possibilities." The programme was designed to strengthen students' placement preparedness while fostering leadership, confidence, and professional skills. The session was graced by Ms. Safrina Banu F., a distinguished alumna of the college, Counselling Psychologist, Mental Health Educator, and Co-founder of The 360 Degree, as the Chief Guest. She delivered an engaging session on stress management and essential life skills, providing students with practical strategies to manage challenges and prepare confidently for their future career journeys. As part of the programme, students enthusiastically participated in a series of interactive placement games aimed at enhancing aptitude, communication, problem-solving, teamwork, and interpersonal skills. The activities provided an engaging platform for students to develop competencies essential for succeeding in recruitment processes and the workplace. The programme concluded with a formal Investiture Ceremony, during which official badges were presented to the Department Representatives. The representatives were entrusted with the responsibility of supporting and coordinating placement-related activities within their respective departments during the academic year 2026–2027.

YOUTH RED CROSS (FN)

Badging Ceremony

The Youth Red Cross Badging Ceremony was conducted on 4 August 2026 from 10.00 a.m. to 12.00 p.m. The ceremony marked an important occasion for formally recognizing the YRC Representatives and entrusting them with their responsibilities towards the organization. The programme was graced by the presence of the Chief Guest, Mrs. Manisha Ziyana. During the ceremony, the YRC Representatives were presented with their badges as a symbol of their commitment to service, leadership, responsibility, and humanitarian values. The badging ceremony formally acknowledged their role as representatives and encouraged them to actively participate in various YRC initiatives throughout the academic year. The programme highlighted the importance of teamwork, discipline, social responsibility, and service to society. The representatives were encouraged to carry out their duties with sincerity, dedication, and a strong sense of responsibility. The ceremony provided an inspiring platform for the representatives to begin their responsibilities with confidence and commitment. It also strengthened their sense of belonging to the Youth Red Cross and encouraged them to contribute meaningfully to the welfare of the community. The programme concluded on a positive note, motivating the YRC Representatives to work together and actively participate in the activities and initiatives planned for the academic year.

YOUTH RED CROSS (FN)

Nature Conservation Day

As a continuation of the Nature Conservation Day initiative, a sapling distribution activity was conducted on 4 August 2026 from 10.00 a.m. to 12.00 p.m. during the YRC Badging Ceremony. The initiative aimed to promote environmental awareness and encourage students to take personal responsibility for the conservation of nature. As part of the activity, all 25 YRC Representatives were provided with a plant sapling. Each representative was entrusted with the responsibility of caring for and nurturing the assigned sapling throughout the academic year. The initiative was planned as a continuous environmental responsibility rather than a one-day activity. The representatives were encouraged to provide proper care to their saplings and ensure their healthy growth. Through this initiative, the YRC aimed to develop a deeper sense of responsibility towards nature and encourage students to take meaningful and consistent steps towards environmental conservation. The activity also emphasized the importance of individual efforts in creating a collective impact. By assigning one sapling to each representative, the programme created a shared commitment towards building a greener and healthier environment. The initiative concluded with the representatives taking responsibility for their respective saplings. It served as a meaningful reminder that environmental conservation requires continuous care, commitment, and active participation.

YOUTH RED CROSS (FN)

Drug-Free Day Awareness Programme

A Drug-Free Day awareness programme was organized by the Youth Red Cross (YRC) on 12 August 2026. The programme was conducted from approximately 10.30 a.m. to 11.00 a.m., with more than 40 students actively participating in the initiative. As part of the programme, the participating students took a pledge to stay away from drugs and promote awareness about the importance of making healthy and responsible choices. The pledge served as a reminder of the importance of personal responsibility and the need to make positive decisions for a healthy and productive life. The programme also highlighted the harmful impact of drug abuse on individuals, families, and society. Students were encouraged to remain aware, make responsible choices, and support their peers in maintaining a safe and healthy environment. The active participation of more than 40 students reflected their collective commitment towards promoting awareness and supporting the vision of a drug-free society. The initiative also encouraged students to understand their responsibility towards themselves, their peers, and the wider community. The programme concluded with the students reaffirming their commitment to staying away from drugs and contributing towards creating a healthier, safer, and drug-free society.

YOUTH RED CROSS (FN)

Yuva Shakthi & Anna University – Seminar

Yuva Shakthi and Anna University NCC organised a seminar on 22 August 2026. The programme provided an informative and engaging platform for students to gain knowledge, interact with fellow participants, and develop greater awareness about youth participation, empowerment, leadership, and social responsibility. A total of 16 students from the YRC unit participated in the seminar. The session was highly informative, interactive, and empowering, providing students with valuable insights and encouraging them to develop confidence, leadership qualities, teamwork, and a sense of social responsibility. The students actively participated in the various tasks and activities conducted during the session. Their enthusiastic involvement made the programme more engaging and provided them with an opportunity to learn through practical participation and interaction. The programme also enabled students to interact with participants from other institutions, exchange ideas, and gain new perspectives. A notable achievement of the programme was that four students from the YRC unit won prizes in the competition. Their success brought recognition to the college and highlighted the enthusiasm, talent, and abilities of the students. The event emphazised the importance of continuous learning, teamwork, confidence, leadership, and active participation. The programme concluded on a positive note, with the participating students gaining valuable knowledge, exposure, confidence, and practical experience.

YOUTH RED CROSS (FN)

Yuva Shakthi– Independence Day Empowerment Programme

An Independence Day Empowerment Programme was organized by Yuva Shakthi – Youth Welfare Association on 15 August 2026, from 10.00 A.M. to 12.30 P.M., at the Yuva Shakthi Office, Teynampet, Chennai. The programme was organized as part of the 80th Independence Day celebrations to encourage youth participation, awareness, and social responsibility. The programme began with the hoisting of the National Flag, reminding the participants of the importance of freedom, unity, and responsibility towards the nation. A Group Discussion on the topic "I Day Thoughts" was also conducted. The participants shared their thoughts and ideas about Independence Day. The discussion helped the students improve their communication skills and develop a better understanding of their responsibilities as young citizens.

As part of the programme, Dr. Janani Maheshwari V. Vyas, Member of Yuva Shakthi, shared the key ideas and contents of the book Essential Writings of Dharampal. The programme provided the youth with an opportunity to learn, exchange ideas, interact with others, and understand their role in society. The various activities made the Independence Day celebration both meaningful and educational. The programme concluded on a positive note, encouraging the participating youth to become responsible, aware, and active citizens who can contribute meaningfully to the development of the nation.

ENVIRO CLUB (FN)

Cleanliness Drive

The Enviro club of Justice Basheer Ahmed Sayeed College for Women organized a Campus Cleaning Drive on 31 August 2026, from 12.30 P.M. to 1.30 P.M., in the allotted areas of the college campus, as per the instructions of the Principal. The drive was organized with the motive of instilling a sense of cleanliness and environmental awareness among the students. Students from all departments actively participated in the drive and cleaned the areas allotted to their respective departments with great enthusiasm. The initiative aimed to promote cleanliness, environmental awareness, teamwork, and social responsibility among the students. After the completion of the drive, the students shared their feedback and expressed their happiness at being part of the initiative. They cherished the experience and appreciated the opportunity to contribute towards maintaining a cleaner and greener campus. The event was successfully completed with the active participation and cooperation of the students and faculty members.

DEPARTMENT OF POLITICAL SCIENCE (FN)

POLITICUS '26

The Department of Political Science organised the inauguration of the Political Science Association – Politicus '26, followed by an enrichment talk on "Skill Development and Career Horizons in Political Science." The event was held on 20 August 2026 at 9.30 a.m. at the Library Convention Hall. The main objective of the event was to inaugurate the Political Science Association and provide students with knowledge about skill development and career opportunities in the field of Political Science. The programme began with an invocation from the Holy Qur'an, followed by the Welcome Address and felicitation. Dr. R. Ananda Kumar, I.A.S., Commissioner of Rural Development and Panchayat Raj – Training, was the Guest of Honour and delivered the inaugural address on "Systems, Integrity, Enthusiasm and Technology." The enrichment talk was delivered by Dr. Anbu Arumugam, Senior Assistant Professor and Head, Department of Public Administration, Government Arts College, Nandanam, on the topic "Skill Development and Career Horizons in Political Science." The programme also included an interactive session for the students, followed by the Vote of Thanks and the National Anthem. The programme was organised and guided by Dr. S. Jameela, Associate Professor and Head, Department of Political Science. The event was informative and beneficial to the students, helping them understand the importance of developing skills and exploring various career opportunities in the field of Political Science.

DEPARTMENT OF BIOCHEMISTRY (FN)

Free Health Care Screening Camp

The Department of Biochemistry, in association with the Fathima Akhtar Health Club (FAHC) and Oxymed Hospital, organised a Free Health Care Screening Camp on 4 August 2026. The camp was conducted with the objective of strengthening awareness of preventive healthcare and encouraging a proactive approach to health assessment among the college community. The camp witnessed extensive participation from students, teaching faculty, and non-teaching staff, reflecting the strong engagement of the institution in promoting health-conscious practices. A range of preliminary screening services was offered, encompassing general health, dental health, ophthalmic assessment, and ENT evaluation. These screenings facilitated the early identification of potential health concerns and provided participants with an opportunity to better understand the importance of periodic health monitoring. The programme was conducted efficiently through the collaborative efforts of the Department of Biochemistry, FAHC, Oxymed Hospital, and the college community. The enthusiastic participation and seamless coordination throughout the initiative contributed substantially to its successful execution and impact.

DEPARTMENT OF ECONOMICS (FN)

Inauguration Of Economics Association

On 10 August 2026, the Department of Economics organized the Inauguration of the Economics Association and an Enrichment Lecture on the topic “Economics in Action: Building Careers.” The programme was organized to provide students with valuable insights into career opportunities and enhance their understanding of the practical relevance of economics. The Chief Guest for the programme was Dr. M. Boominathan, M.A., M.Phil., Ph.D., Founder and Director, KingMakers IAS Academy. He inaugurated the Economics Association, marking an important step towards encouraging academic engagement, leadership, and professional development among students. He also delivered an insightful and enriching lecture on the topic, highlighting the importance of applying economic knowledge to real-world situations and guiding students towards building successful careers. His valuable insights motivated and encouraged the students to explore diverse career opportunities in the field of economics and beyond. Seven students from the Department of Economics were awarded scholarships, and one student is currently enrolled in the programme. The programme was held at the Golden Jubilee Seminar Hall under the guidance of Dr. Amthul Azeez, Principal and Correspondent, and Dr. Jabeen Ara Begum, Associate Professor and Head, Department of Economics. The programme was coordinated by Dr. Haseena S. and Dr. A. Shayin. The event concluded successfully, with the students gaining valuable knowledge and inspiration for their future academic and career pursuits. At the end of the session, Ms. Afrin Fathima and Ms. Shuguftha Jabeen of III B.A. Corporate Economics received their badges from the Chief Guest.

DEPARTMENT OF ECONOMICS (FN)

Econ Club Inauguration

On 21 August 2026, the Department of Economics inaugurated the Econ Club and organized a Special Enrichment Lecture for the students. The programme was centred around the theme "Economics for Next Generation," aiming to provide students with meaningful insights into the relevance and scope of economics in a changing world. The Guest of Honour for the programme was Dr. T. Balasaravanan, Associate Professor and Head, Dean – Academic Affairs, Department of Economics, S.I.V.E.T. College, Chennai. He delivered an informative and enriching lecture on the topic "Economics for Next Generation," highlighting the importance of economic awareness, contemporary economic issues, and the role of young learners in understanding and shaping the future economy. The programme was held at the Golden Jubilee Seminar Hall under the guidance of Dr. Amthul Azeez, Principal and Correspondent, and Dr. Jabeen Ara Begum, Associate Professor and Head, Department of Economics. Dr. S. M. Zubaidunisa served as the Coordinator of the programme. The inauguration and special lecture provided students with an enriching academic experience and encouraged them to develop a broader perspective towards economics and its significance for the next generation. At the end of the session, the Econ Club Secretaries, Ms. Haifa Samrin and Ms. Shamuga Priya of III B.A. Corporate Economics, received their badges from the Chief Guest.

DEPARTMENT OF MATHEMATICS (FN)

Workshop On Raising a Mathematician

The Department of Mathematics, organised a workshop for school students on the theme "Raising a Mathematician" on 11 August 2026 at the Golden Jubilee Seminar Hall, Main Block, III Floor. The programme commenced at 9.30 a.m. and was organised with the objective of developing curiosity, logical thinking, problem-solving skills, confidence, and a deeper appreciation for mathematics among young learners. The workshop witnessed enthusiastic participation from five schools, with approximately 280 school students attending the programme along with their teachers and school representatives. The active participation of the students contributed greatly to the success and vibrancy of the workshop. The programme began with the Prayer and English Translation, rendered by Ms. Safiyyah Salihah of II B.Sc. Mathematics. The prayer sought the blessings and guidance of Almighty Allah for the successful conduct of the programme. The Welcome Address was delivered by Dr. Fathima Azher, Head of the Department of Mathematics. She warmly welcomed the Principal and Correspondent, Dr. Amthul Azeez, the resource person, faculty members, teachers, school representatives, and students participating in the workshop. The workshop featured an engaging and informative Special Talk by Mr. Sadagopan Rajesh, Mathematics Educator, on the topic "Raising a Mathematician."

His presentation highlighted that mathematics is not merely about numbers and formulas but also develops logical thinking, analytical skills, creativity, and confidence. The session encouraged students to look at mathematics as a way of thinking and understanding the world around them. A short refreshment break was given from 11.30 a.m. to 11.45 a.m., after which all participants reassembled in the seminar hall. The participants were also requested to complete the feedback form provided in their workshop kits. The second session of the Special Talk was continued by Mr. Sadagopan Rajesh, who further enriched the students with valuable insights and practical approaches to learning mathematics. His inspiring interaction encouraged the participants to develop greater interest and enthusiasm towards the subject. The programme concluded with the Vote of Thanks, proposed by Dr. M. Reehana Parveen, Assistant Professor, Department of Mathematics. She expressed sincere gratitude to the dignitaries, resource person, faculty members, school representatives, teachers, and students for their valuable presence and contribution towards the success of the workshop. The programme concluded with the National Anthem. The workshop was a meaningful and enriching experience for all the participants. The enthusiastic participation of approximately 280 students from five schools made the event highly successful and memorable. The workshop successfully created an encouraging environment for young learners to explore mathematics with curiosity, confidence, and greater interest.

DEPRARTMENT OF CHEMISTRY (FN)

"Step Into AI: From Concept To Application – Building Tomorrow's Intelligence"

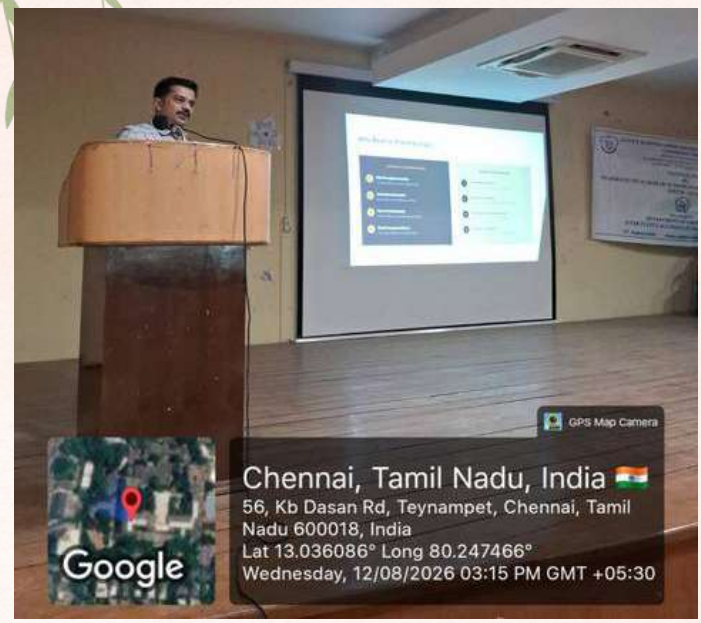

The Department of Chemistry, Justice Basheer Ahmed Sayeed College for Women, organised the first day of the training programme titled "Step Into AI: From Concept to Application – Building Tomorrow's Intelligence" on 29 August 2026. The programme was conducted at the Library Convention Hall and Digi-Lab. The session was led by Dr. Augustine Arul Prasad. The programme aimed to create awareness about Artificial Intelligence (AI) and its applications in education, science, research, and various other fields. The programme began with a prayer, followed by the Welcome Address and the National Anthem. This was followed by an informative session on "AI for Everyone: Empowering Minds, Transforming the Future." It introduced the participants to Artificial Intelligence, Machine Learning, Deep Learning, Large Language Models (LLMs), and Generative AI. As it also explained the applications of AI in scientific and biological research. The contributions of David Baker, Demis Hassabis, and John Jumper were discussed, particularly their work related to protein structure prediction. The AI-based tool AlphaFold and the computational tool Rosetta were highlighted as important examples of how AI can support protein research. The applications of AI in understanding and addressing diseases such as diabetes, AIDS, and cancer were also discussed.

It was emphasised that scientists and researchers should develop knowledge of Machine Learning, as AI can assist in analysing scientific data and improving research. The contribution of Andrew Ng towards AI and machine-learning education was also mentioned. The importance of scientific research and publications such as Nature was discussed, along with the growing impact of AI on modern scientific developments. As the programme was informative and engaging, providing participants with a better understanding of AI and its growing role in scientific research. The session encouraged students to explore AI, Machine Learning, and Generative AI and understand their importance in their future academic and professional careers.

DEPRARTMENT OF CHEMISTRY (FN)

National Seminar

The Department of Chemistry organized a National Seminar on 12 August 2026, from 9.00 A.M. to 4.00 P.M., at the Seminar Hall. The programme consisted of an Inauguration, three technical sessions, and a Valedictory Session, providing an enriching platform for academic interaction and knowledge sharing. The inaugural session included the Welcome Address, Presidential Address, felicitation of invitees, and release of the seminar souvenir. The technical sessions covered biomass-derived synthesis of ZnO nanoparticles through phyto-fabrication, validation of traditional knowledge, and plant-derived therapeutics with yeast-based synthetic biology manufacturing platforms. The sessions featured expert presentations followed by Question and Answer sessions and feedback, enabling participants to gain insights into emerging scientific developments and research approaches. The Valedictory Session included the Valedictory and Keynote Addresses, presentation of seminar proceedings, e-poster screening, and Prize Distribution. The programme concluded with the Vote of Thanks and the National Anthem. Overall, the seminar provided an immensely valuable academic exposure and enhanced the participants' understanding of contemporary developments in chemistry, biotechnology, traditional knowledge, and related scientific fields.

DEPARTMENT OF ZOOLOGY (FN)

Zoion Club Inauguration

The P.G. and Research Department of Zoology inaugurated the Zoion Club for the academic year 2026–2027 on Thursday, 13 August 2026. The inaugural programme was conducted from 9.00 a.m. to 11.00 a.m. at the Golden Jubilee Seminar Hall, followed by the Interclass Competitions from 11.00 a.m. to 1.00 p.m. in the Zoology Labs and DJ Block classrooms. The programme was highly engaging and interactive. Dr. S. Kaneez Fathima, HOD (I/C), delivered the Welcome Address and introduced the Chief Guest, Dr. Dipnarayan Ganguly, Scientist C, National Centre for Sustainable Coastal Management, MoEFCC, Anna University Campus, Chennai. This was followed by the felicitation of the programme by Dr. Amthul Azeez, Principal and Correspondent. She shared several inspirational ideas and real-time examples with the students. The Chief Guest, Dr. Dipnarayan Ganguly, inaugurated the Zoion Club and delivered an informative talk on the various opportunities available to students in the field of Zoology. He clarified the students' doubts and provided valuable guidance regarding opportunities and career options after completing their studies. Dr. D. Mubeen Sultana, Associate Professor and Organising Secretary of the programme, proposed the Vote of Thanks. The Chief Guest, following the inaugural programme, various competitions were conducted among the students of the department. The Interclass Competitions were held in the Zoology Labs and DJ Block classrooms. The programme provided students with an engaging platform to explore their academic interests, interact with the Chief Guest, and participate in various interclass activities.

DEPARTMENT OF ENGLISH (FN)

Association Inauguration Programme

The P.G. and Research Department of English successfully conducted the English Association Programme on 10 August 2026 in the College Auditorium. The programme commenced at 9.00 a.m. with the inaugural address delivered by Lt. Lily Shama George (Retd.). The event included the Inaugural Meeting of the English Association for the academic year 2026, a Book Release, and the Interclass Dramatics Competition. The Interclass Dramatics Competition was based on the theme "Indian Weaves – Fabricated with Indian Hues" and was judged by Lt. Lily Shama George (Retd.). Each class presented a play based on the theme, in which acting and dance were beautifully interwoven. The plays portrayed the stories behind various Indian weaves and highlighted how fabric reflects Indian culture and identity. The performances were the highlight of the event. The students delivered powerful, dialogue-driven performances with strong characterisation, effective modulation, and natural stage presence, bringing depth to the narratives. The use of minimal yet creative props and authentic costumes made the performances more realistic. Dance was seamlessly integrated into the dramas as a storytelling tool. Each play included a short thematic dance sequence to showcase the grace of the fabric it represented. The choreography, synchronised with traditional folk and classical fusion music, added visual richness and facilitated smooth transitions between scenes. The programme was attended by all the students of the English Department, along with the I and II B.A./B.Sc. Foundation students from other departments. The programme concluded with the prize distribution and the Vote of Thanks.

DEPARTMENT OF ENGLISH (FN)

Poetry Recitation Competition

The P.G. and Research Department of English organised the Poetry Recitation Competition titled "Recite to Ignite" on 14 August 2026 in the Language Lab. The event was designed to celebrate the power of the spoken word and provided students with a platform to bring poetry to life through voice, emotion, and expressive interpretation. The participants captivated the audience with their engaging recitations.

The competition was judged by Ms. Krishna Devi, Assistant professor and Dr. N. Mehar Taj, Head, Department of English. The participants were evaluated on the basis of expression, diction, and stage presence. The event was guided by Dr. Amthul Azeez, Principal and Correspondent. The proceedings were coordinated by Dr. Fathima Shahin, Assistant Professor, and Mrs. K. Pahlavi Mustafa, Assistant Professor, who served as the Organising Secretaries. The event concluded with the Vote of Thanks delivered by Dr. Fathima Shahin.

DEPARTMENT OF PSYCHOLOGY (FN)

International Seminar

The Department of Applied Psychology and Behavioral Research organised a two-day International Seminar on the focal theme “Navigating the Future: Emerging Psychological Trends in Education and Healthcare” on 4 and 5 August 2026. The seminar featured prominent resource persons, including Dr. J. Radhakrishnan, IAS, Director of the Anna Administrative Staff College and Director General of Training; Professor Bradley A. Janey, Professor of Counselor Education, Department of Counseling and Psychology, College of Health and Human Services, Marywood University; Dr. Rachna Raman, PhD, Lecturer in Behavioral and Brain Sciences, The University of Texas at Dallas; Mr. R. T. C. Rajarathnam, Psychologist, Bestselling Author, and Innovative Curriculum and Education Design Consultant; Dr. Gladstone Ashok Xavier, Associate Professor, Department of Social Work, School of Humanities and Social Sciences, Loyola College, Chennai; and Dr. Sreenivasan Jayaraman, Clinical Neuropsychologist, Registered Clinical Psychologist (India), and Chartered Psychologist (UK). The sessions featured in-depth discussions on contemporary neuropsychology, student well-being, and therapeutic interventions. Interactive question-and-answer sessions provided students with opportunities to engage with the resource persons and clarify their understanding of the topics discussed. Research paper presentations further enriched the seminar by providing exposure to current research and emerging practices in the field. Overall, the International Seminar served as a valuable academic platform that provided students with practical insights into evolving psychological trends and their applications in education and healthcare. The programme encouraged academic interaction, research interest, and greater awareness of contemporary developments in the field of psychology.

DEPARTMENT OF COMMERCE (FN)

Inauguration Association Ceremony

The Department of Commerce, Justice Basheer Ahmed Sayeed College for Women (Autonomous), Chennai-18, organized the inauguration of its Commerce Association, "QUINTESSENCE," on 13 August 2026 at the College Auditorium. The programme commenced with a welcome address by Dr. Moina Mohammed Amjad, Associate Professor and Head, Department of Commerce, who highlighted the vision and objectives of the Commerce Association. The Guest of Honour, C.A Nithya Pattabiraman, Alumna of the 1986–1989 batch and Assistant Vice President – Finance Risk and Control, Standard Chartered Global Business Services, delivered an inspiring address on "Think, Speak, Win Ta(l)ke De Bait." She encouraged students to develop confidence, effective communication, clarity of thought, and a positive attitude towards their academic and professional journey. The programme also featured the Mrs. Meenakshi Thiagarajan Rolling Trophy Inter-Collegiate Debate Competition, providing students with an opportunity to showcase their debating, critical thinking, and communication skills. The competition was judged by Dr. S. Rasheeda Sulthana, Alumna of the 1999–2004 batch and Associate Professor, PG and Research Department of English, Bharathi Women's College, Chennai. The programme concluded with a Vote of Thanks, expressing gratitude to the management, Principal, faculty members, guests, judges, coordinators, and students. The inauguration of QUINTESSENCE Commerce Association 2026 was a motivating strive for excellence in their academic and professional pursuits.

DEPARTMENT OF HOME SCIENCE (FN)

Association Inauguration And World Breastfeeding Week Celebration

The Department of P.G. Studies and Research in Home Science, under the aegis of the Nutri Club, organized the Home Science Association Inauguration, New Batch Inauguration, and World Breastfeeding Week Celebration on 4 August 2026, from 9.30 A.M. to 12.30 P.M., at the Golden Jubilee Seminar Hall.

The programme included a prayer, Welcome Address, Special Address, presentation of association activities, and distribution of badges to the newly appointed council members by the Chief Guest, Dr. Meghana. Certificates were also distributed to the students. The Chief Guest and Resource Person highlighted the importance of breastfeeding and the need to create awareness in the community. The programme also formally welcomed the new batches and encouraged students to participate actively in academic and co-curricular activities. The event concluded with the Vote of Thanks and National Anthem.

DEPARTMENT OF HOME SCIENCE (FN)

National Handloom Day Celebration -2026

Justice Basheer Ahmed Sayeed College for Women, Teynampet, observed National Handloom Day on Friday, 7 August 2026, with a vibrant celebration aimed at promoting India's rich handloom tradition and encouraging students to embrace sustainable fashion. The event began with the inauguration of a live Block Printing Station. In a creative gesture, the Principal and Correspondent, Dr. Amthul Azeez, stamped traditional hand-carved wooden blocks on a large fabric as part of the initiative to promote handlooms and highlight their cultural significance. The students of M.Sc. Textile Science and Fashion Designing draped handloom sarees on mannequins in different styles representing various states of India. The students also put up a selfie booth decorated with hand-embroidery frames. A short film on the journey of handloom, created by the students, was also projected for the audience. National Handloom Day reminds us that every handwoven fabric carries the skill of an artisan and the story of our culture. By choosing handloom, we support the livelihoods of artisans and promote sustainability over fast fashion. National Handloom Day is observed every year on 7 August by the Government of India to commemorate the Swadeshi Movement and honour the handloom weavers of the country. The faculty members and students of the college turned up in handloom attire, adding colour to the campus. The initiative aimed to promote awareness among the youth and encourage them to embrace and celebrate the country's rich cultural heritage through handloom.

DEPARTMENT OF HOME SCIENCE (FN)

Inauguration Of SIFARD And Textile Testing Laboratory

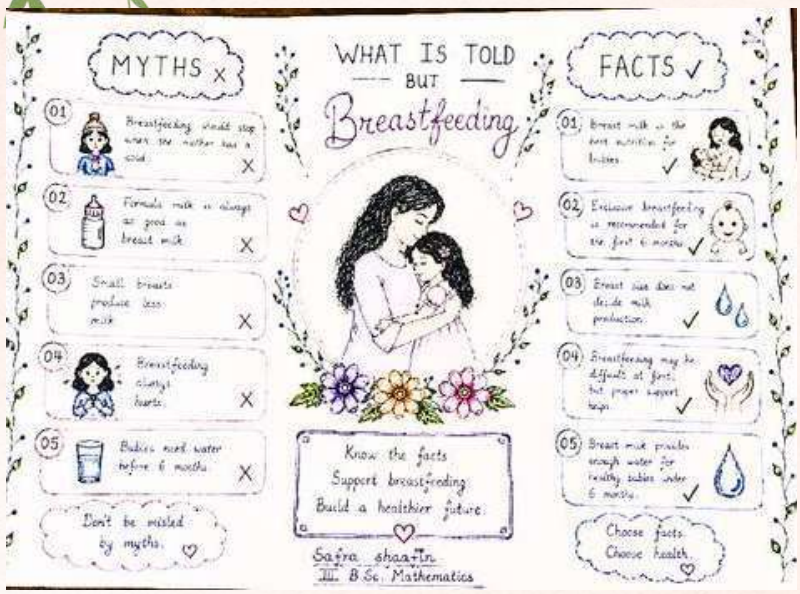

The Department of Textile Science and Fashion Designing organized the inauguration of the SIFARD and Textile Testing Laboratory, sponsored by the DST-CURIE PG/2024/46 Grant. The Textile Testing Laboratory and the Electronic Jacquard Loom were formally inaugurated by Dr. S. Vincent in the presence of the respected Chairperson, Treasurer, Principal, Vice Principals, Heads of Departments, Nodal Officer of DST-CURIE, faculty members, and students. The newly inaugurated Textile Testing Laboratory is equipped with state-of-the-art instruments, including a Tensile Strength Tester, Bursting Strength Tester, Light Fastness Tester, Abrasion Tester, HTHP Beaker Dyeing Machine, and an Electronic Jacquard Loom. These advanced facilities are aimed at enhancing hands-on training and experiential learning for postgraduate students while providing opportunities to develop their practical and research skills. The inauguration ceremony concluded with a laboratory tour for the dignitaries. During the tour, faculty members and students demonstrated the functioning of the various equipment and explained their applications. The inauguration marked an important step towards strengthening practical learning, innovation, and research in the field of textile science and fashion designing.

DEPARTMENT OF HOME SCIENCE (FN)

Online Reel And Poster Making Contest

An Online Reel and Poster Making Contest was organized by the Nutri Club on 1 and 2 August 2026 in commemoration of World Breastfeeding Week 2026, based on the theme “Fact vs Myth in Breastfeeding.” The event was conducted with the aim of creating awareness among students and the wider community about the importance of breastfeeding and the need to distinguish between scientifically supported facts and commonly believed myths. As part of the competition, participants created informative reels and digital posters focusing on various myths and misconceptions associated with breastfeeding. They presented evidence-based facts in a simple and appealing manner, helping viewers understand the importance, benefits, and correct practices related to breastfeeding. The use of creative visuals, engaging content, appropriate captions, and effective presentation helped make the awareness messages more accessible and impactful. The entries were submitted through an online platform and evaluated based on several criteria, including creativity, accuracy of information, relevance to the theme, presentation, editing, visual appeal, and overall design. The competition provided students with an opportunity to combine their knowledge with creativity while developing their skills in digital content creation. It highlighted how creative digital media can be effectively used to address health-related misconceptions and promote reliable, evidence-based information.

DEPARTMENT OF HOME SCIENCE (FN)

Breastfeeding Awarness Talk

A Breastfeeding Awareness Programme was organized by the Nutri Club on 3 August 2026 in commemoration of World Breastfeeding Week. The programme aimed to create awareness about the importance of breastfeeding and promote healthy breastfeeding practices among mothers and students. Mrs. Priya, Lactation Consultant, served as the Resource Person and provided valuable insights and practical guidance on various aspects of breastfeeding. The session focused on proper breastfeeding techniques, the benefits of breastfeeding, maternal nutrition, exclusive breastfeeding, complementary feeding, and lactagogue foods that may support breast milk production. A practical demonstration on breastfeeding during maternal illness was also conducted, highlighting the importance of appropriate breastfeeding practices even when the mother is unwell. The demonstration helped participants understand how breastfeeding can be continued safely in different situations while taking necessary precautions and seeking professional guidance. The interactive session also addressed common concerns and misconceptions related to breastfeeding, nutrition, and feeding practices. It emphasized the importance of adequate maternal nutrition, proper breastfeeding techniques, and the timely introduction of complementary foods for the healthy growth and development of infants. Overall, the programme was an informative and engaging initiative that enhanced participants' understanding of healthy breastfeeding practices, maternal well-being, and infant nutrition. The guidance and practical demonstration provided by the lactation consultant offered useful knowledge for promoting better maternal and child health.

DEPARTMENT OF HOME SCIENCE (FN)

Cookery Competition

A Cookery Competition on "Lactagogue and Weaning Foods" was organized by the Nutri Club on 5 August 2026 in commemoration of World Breastfeeding Week 2026. The competition aimed to create awareness about the importance of nutritious food choices for lactating mothers and growing infants. The event was enthusiastically participated in by the 1st and 2nd PG students of Child Development and Child Nutrition (CDCN), providing them with an opportunity to showcase their knowledge, culinary skills, creativity, and understanding of maternal and infant nutrition. The participants prepared and presented a wide variety of lactagogue foods and weaning preparations, focusing on nutritious, healthy, and appealing food choices. The preparations highlighted the importance of adequate maternal nutrition during lactation and the role of appropriate complementary foods in supporting the growth and development of infants. The competition was judged by Dr. Meghana, who served as the Resource Person and Judge for the event. The preparations were evaluated based on nutritional value, creativity, taste, presentation, originality, choice of ingredients, and relevance to the theme. Dr. Meghana also provided valuable observations and guidance to the participants, enhancing their understanding of healthy food choices, lactagogue foods, and appropriate weaning practices.

.

DEPARTMENT OF HOME SCIENCE (FN)

Ring The Nutrient

"Ring the Nutrient," a fun and interactive nutrition competition, was organized by the Nutri Club on 5 August 2026 in commemoration of World Breastfeeding Week 2026. The event aimed to create an engaging learning environment where students could enhance their knowledge of nutrients and nutrition through an enjoyable and competitive activity. Students from the Science Department actively participated in the competition with great enthusiasm, making the event lively, interactive, and educational. The activity was conducted in the form of a ring-based game, where participants tested their knowledge of various nutrients, their functions, food sources, deficiency conditions, and their importance in maintaining good health. The unique game format combined education with entertainment, encouraging participants to think quickly, recall their nutritional knowledge, and actively engage in the different rounds of the competition. The competition provided the Science Department students with an opportunity to test, apply, and strengthen their understanding of nutrition in a practical and enjoyable manner. The interactive format encouraged active participation and healthy competition while helping students reinforce important concepts related to nutrients and their role in maintaining health and well-being. Overall, "Ring the Nutrient" was an engaging and informative initiative that successfully combined fun, learning, and healthy competition. The event encouraged students to broaden their nutritional knowledge and develop greater awareness of the importance of nutrition in everyday life while contributing to the awareness activities conducted as part of World Breastfeeding Week 2026.

DEPARTMENT OF HOME SCIENCE (FN)

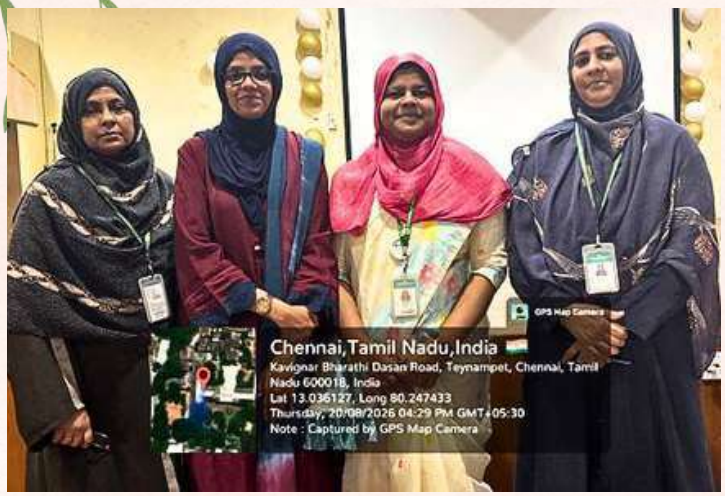

Human Chain Awarness Activity

As part of the observance of World Breastfeeding Week 2026, the Nutri Club organized a Human Chain Awareness Activity on 7 August 2026 to spread awareness about the importance, benefits, and significance of breastfeeding among the general public. The activity was conducted with the active participation of students from all three years of the ND and CND programmes. Students enthusiastically joined together to form a human chain both within the college premises and outside the college campus, creating a strong visual message in support of breastfeeding awareness. Through their collective participation, the students aimed to communicate the vital role of breastfeeding in promoting the health, nutrition, growth, and overall well-being of infants and mothers. The activity provided an opportunity for students to take their nutritional knowledge beyond the classroom and engage directly with the community. By carrying awareness messages and actively participating in the human chain, the students encouraged members of the public to recognize the importance of breastfeeding and the need to support and promote appropriate breastfeeding practices. The participation of students made the activity more inclusive and impactful. The collective effort demonstrated the students' enthusiasm towards community nutrition and health awareness. The Human Chain Awareness Activity successfully created public awareness, encouraged active student involvement, and reinforced the importance of breastfeeding as an essential component of maternal and child health.

INTERNAL QUALITY ASSURANCE CELL(AN)

BLOOM ; Towards Of Success

The Internal Quality Assurance Cell (IQAC) organised a workshop titled "BLOOM – Towards the Road of Success" on 20 August 2026, from 1.30 p.m. to 4.30 p.m. at the Golden Jubilee Seminar Hall. The session was conducted on the topic "Break Barriers and Build Identity" with the objective of helping students develop self-awareness, confidence, and a positive approach towards personal and academic growth. The session was handled by Mrs. A. Nazneen Fathima, Counselling Psychologist and Motivational Trainer, who engaged the students through interactive activities and discussions. An activity sheet based on Murphy's Law, Kidlin's Law, and Gilbert's Law was introduced to encourage students to reflect on challenges, perspectives, and ways of responding to different situations. The training session provided students with useful insights into overcoming personal barriers and building a strong sense of identity. The interactive nature of the programme encouraged active participation and helped students understand the importance of self-confidence, positive thinking, and personal development.

The programme concluded with a feedback and interaction session, followed by the Vote of Thanks and National Anthem. Overall, the workshop was an informative and engaging learning experience that encouraged students to recognise their potential, overcome barriers, and work towards their goals with greater confidence.

INTERNAL QUALITY ASSURANCE CELL(AN)

ILLUMINATE : Towards The Peak Of Exellence

A seminar on Self-Development, Communication, and Goal Setting titled "ILLUMINATE: Towards the Peak of Excellence" was conducted by Ms. Akshaya Balaji, Champion Women Facilitator. The session was designed to help students understand their strengths, build self-confidence, improve communication skills, and develop a positive approach towards achieving their goals. The session began with the topic "Who is a Champion?", followed by activities such as the "25 Adjectives" exercise, which encouraged students to reflect on their personalities and strengths. The concepts of the inner critic and inner coach helped students understand the importance of overcoming negative thoughts and developing self-motivation. The topic "You are the Brand" further highlighted the importance of personality, behaviour, communication, and values. The seminar also covered Me Management, the key to happiness, P.R.O.U.D. Communication, and SMART Goals, providing students with practical insights into self-management, effective communication, and goal setting. A small game and the "five new friends" activity encouraged students to interact with others and step out of their comfort zones.

The session concluded with activities on daily affirmations and recognising one win every day, encouraging students to maintain a positive mindset. Overall, the seminar was an engaging and valuable learning experience that motivated students to recognise their potential, appreciate themselves and others, communicate confidently, and work towards their goals with determination.

BALISE CLUB (AN)

Orientation & Inauguration

The Career Guidance and Placement Centre (CGPC) organised the BALISE Club Orientation and Inauguration on 7 August 2026, from 2.30 p.m. to 4.30 p.m. at the Golden Jubilee Seminar Hall. The programme was conducted under the theme "Career Guidance, Aptitude and Life Skill Development Programme" with the objective of enhancing students' aptitude, logical thinking, employability skills, professional attitude, and confidence. The session was conducted by Ms. Arshiya Khan, Psychologist & Neurocognitive Behavioral Therapist, who provided students with valuable insights into aptitude development and career readiness. The programme focused on improving logical thinking and problem-solving abilities while helping students understand the skills and qualities required to succeed in the professional world. The session also highlighted the importance of developing a professional attitude, building confidence, and preparing effectively for placements and interviews. Students were encouraged to identify their strengths, improve their employability skills, and make informed decisions regarding their future career opportunities.

Overall, the BALISE Club Orientation and Inauguration was an informative and engaging programme that provided students with useful guidance for their academic and professional development. The session motivated students to strengthen their skills and prepare themselves confidently for future placement and career opportunities.

ENVIRO CLUB (AN)
Campus Cleanliness Drive

The Enviro Club of Justice Basheer Ahmed Sayeed College for Women organised a Campus Cleanliness Drive on 31 August 2026, from 12.30 p.m. to 1.30 p.m., as per the instructions of the Principal. The event was coordinated by Dr. M. Parveen and Iffath Jehan. A total of 75 students from the Enviro Club actively participated in the drive and cleaned the areas allotted to their respective departments. Before the activity, the coordinators provided instructions regarding waste collection, maintaining cleanliness, and responsible teamwork. The students worked enthusiastically to maintain a clean, hygienic, and aesthetically pleasing campus.

The drive aimed to promote cleanliness, environmental awareness, teamwork, and social responsibility among the students. The coordinators and faculty members guided the students throughout the activity and monitored the work. After the drive, students shared their feedback and expressed their happiness at contributing towards a cleaner and greener campus. The programme was successfully completed with the active participation and cooperation of all 75 students and faculty members.

CAREER GUIDANCE AND PLACEMENT UNIT (AN)

Anudip Foundation Job Fair

Anudip Foundation organised a Job Fair on 8 August 2026, from 1.00 a.m. to 3.00 p.m., at the DJ Block, Justice Basheer Ahmed Sayeed College for Women. The programme was conducted under the theme “Career Opportunities, Recruitment and Placement Readiness Programme” with the objective of providing students with direct access to employment opportunities, connecting them with potential employers, and enhancing their placement readiness. A total of 120 passed-out students from the college and various other colleges participated in the Job Fair. Ten companies from different sectors, namely Aryu Enterprise, Adecco, PN Global Enterprises, CAFS India Pvt. Ltd., Redisolve Software, RT Network Solutions (TCS), Quantum Business, ACT Fibernet, TNQ Tech Pvt. Ltd., and VK Infotech, participated in the recruitment process. The students interacted directly with company recruiters, explored available job roles, and gained an understanding of employer expectations and job requirements. They were also exposed to various stages of the recruitment and selection process, which helped improve their confidence in attending interviews and placement drives. The programme encouraged students to actively pursue career opportunities and highlighted the importance of communication skills, technical knowledge, professional attitude, and interview preparation. Overall, the Job Fair successfully connected students with potential employers and contributed towards enhancing their employability and career readiness.

CAREER GUIDANCE AND PLACEMENT UNIT (AN)

Data Analytics Training Programme

The Career Guidance and Placement Centre (CGPC), in collaboration with Anudip Foundation and with the support of CISCO under its CSR Programme, commenced the Data Analytics Training Programme for UG final-year students on 13 August 2026. The programme, themed "Skill Development, Employability and Career Readiness Programme," was conducted from 10.00 a.m. to 12.30 p.m. at the Placement Training Room, DJ Block, Justice Basheer Ahmed Sayeed College for Women.

The programme aims to provide students with practical and industry-oriented knowledge in Data Analytics, enhance their technical abilities, and prepare them for future career and placement opportunities. A total of 55 UG final-year students from the Departments of Electronics Science and Statistics participated in the programme. The students were actively engaged in the sessions and gained valuable practical exposure. The training is expected to strengthen students' technical competencies, employability, and career readiness, while equipping them with skills relevant to future placement opportunities.

CAREER GUIDANCE AND PLACEMENT UNIT (AN)

Web Designing Training Programme

The Career Guidance and Placement Centre (CGPC), in collaboration with Anudip Foundation and with the support of CISCO under its CSR Programme, commenced the Web Designing Training Programme for UG final-year students on 13 August 2026. The programme, themed "Skill Development, Employability and Career Readiness Programme," was conducted from 10.00 a.m. to 12.30 p.m. at Computer Science Block, Rooms 181 and 181A, Justice Basheer Ahmed Sayeed College for Women.

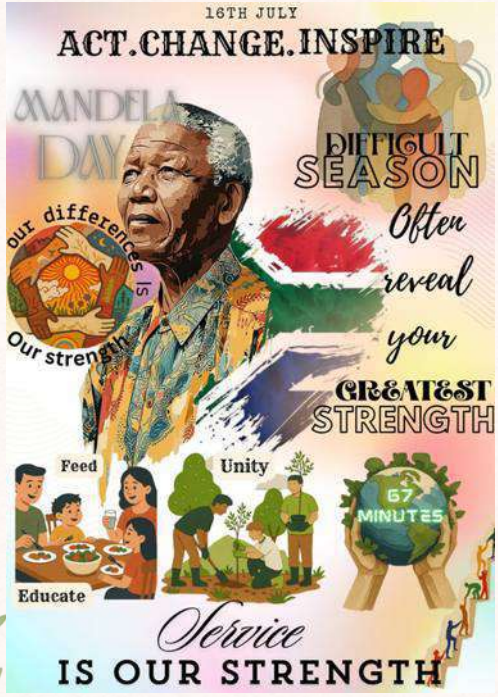

The programme aims to provide students with practical and industry-oriented knowledge in Web Designing, enhance their technical abilities, and prepare them for future career and placement opportunities. A total of 103 UG final-year students from the Departments of Computer Science and BCA participated in the programme. The training is expected to strengthen students' technical competencies, employability, and career readiness, while equipping them with skills relevant to future placement and career opportunities.

CENTRAL LIBRARY (AN)

Mandela Day Poster Making Competition

On the occasion of Nelson Mandela International Day, observed globally on 18 July to honour Mandela's legacy of peace and human rights, the Central Library organized a Digital Poster Making Competition as the first competition for the academic year 2026–2027. The competition was conducted under the theme "Education, Equality, Excellence: The Mandela Legacy" / "United We Stand: The Mandela Way." The last date for submission was 31 July 2026, with entries submitted online through the Central Library.

A total of 29 undergraduate students from all three years participated by creating original digital posters focusing on equality, unity, social justice, democracy, and reconciliation. The competition aimed to commemorate Nelson Mandela's contributions to conflict resolution, human rights, peace, and reconciliation while encouraging students to express their creativity and promote positive social values. Posters were evaluated based on originality and relevance to the theme, with strict guidelines against AI-generated and plagiarized content. Prizes were awarded to the top entries, while all active participants received e-certificates. Submissions were coordinated through the Library Secretary.

CENTRE FOR WOMEN'S STUDIES (AN)

International Youth Day Programme

The Centre for Women's Studies (CWS) of Justice Basheer Ahmed Sayeed College for Women organized the International Youth Day Programme and CWS Inauguration on 12 August 2026 from 3.00 p.m. to 5.00 p.m. at the Library Convention Hall. The programme was conducted on the theme "Empowering Young Women Through Awareness, Safety and Leadership" and was attended by 100 participants.

The programme was graced by Ms. V. Shyamala Devi, IPS, Superintendent of Police (Crime Against Women), Singappen Special Force, Chennai, as the Chief Guest. The event also marked the inauguration of CWS for the academic year 2026–2027. The programme included a Welcome Address, felicitation of the Chief Guest, an insightful address, and an interactive session focusing on awareness, personal safety, social responsibility, and leadership. A pledge and badge distribution ceremony was also conducted for the CWS Secretaries and Coordinators.

The programme served as an inspiring platform for students to gain valuable insights and encouraged them to develop confidence, leadership qualities, social responsibility, and awareness to become empowered young women.

DEPARTMENT OF CS, ISM & CA (AN)

Inauguration Introduction Programme

The Department of Corporate Secretaryship and Information Systems Management & Computer Applications organised the Computer Applications Inauguration Programme on Thursday, 16 July 2026, at 12.30 p.m. at the Library Convention Hall. The programme was conducted under the theme “Introduction of the Course” to inaugurate the newly introduced course for the academic year 2026–2027 and warmly welcome the first-year students to the department and the institution. The programme aimed to familiarise students with the course, department, faculty members, academic environment, rules, regulations, and academic expectations. The programme commenced with the formal inauguration, followed by the address of Dr. Amthul Azeez, Principal & Correspondent, who welcomed the first-year students and emphasised the importance of discipline, academic responsibility, and active participation in college activities. The students were also given essential guidance regarding their responsibilities as members of the institution. Dr. B. Barackath, Head of the Department and Associate Professor, and A. Iffath Jehan, Associate Professor, interacted with the students and introduced them to the department, course, and its academic scope. The students were encouraged to actively participate in academic and extracurricular activities. A total of 25 students participated in the programme, making it an interactive and welcoming experience. Overall, the programme provided the first-year students with a positive and supportive beginning to their academic journey. It helped them gain clarity about the newly introduced course, become familiar with the department and faculty members, and understand the values and responsibilities associated with college life.

DEPARTMENT OF CS, ISM & CA (AN)

Association Inaugural Ceremony

The Department of Corporate Secretaryship, Information Systems Management & Computer Applications organised the Department Association Inaugural Ceremony on Tuesday, 25 August 2026, from 3.30 p.m. to 5.30 p.m. at the Golden Jubilee Seminar Hall, Justice Basheer Ahmed Sayeed College for Women, Chennai. The programme was conducted under the guidance of Dr. Amthul Azeez, Principal & Correspondent, with the objective of formally inaugurating the Department Association along with the newly introduced B.Com (CA) course and encouraging students to explore professional courses and career opportunities. This programme provided students with valuable exposure to the corporate and professional world. CS. Vasumathy Vasudevan, Practising Company Secretary and Insolvency Professional, V Vasumathy Associates, was the Guest Speaker. She addressed the students on the professional role of a Company Secretary, corporate compliance, career opportunities, corporate governance, and the field of insolvency practice. The session offered students practical insights beyond classroom learning and helped them understand the responsibilities and opportunities associated with the corporate secretarial profession. The interaction with the Guest Speaker also helped bridge the gap between academic knowledge and professional practice. Students actively participated in the session and gained valuable guidance regarding professional development, career planning, and the importance of communication and confidence in the corporate environment. The programme was coordinated with the support of Dr. B. Barackath, Head of the Department and Associate Professor, and A. Iffath Jehan, Associate Professor, Department of Corporate Secretaryship and Information Systems Management & Computer Applications.

DEPARTMENT OF ECONOMICS (AN)

Association And Financial Wellness Workshop

The Department of Economics, Justice Basheer Ahmed Sayeed College for Women, Chennai, in collaboration with FinEdu Connect, organised the Economics Association 2026 and Financial Wellness Workshop on 13 August 2026 at 1.30 p.m. at the Library Convention Hall. The programme was conducted under the theme "Financial Wellness and Investor Awareness" and aimed to promote financial literacy and responsible financial planning among students. The Resource Person, Mr. Shankar Sundaresan, Securities Markets Trainer (SEBI), addressed the students on financial planning, savings, investment opportunities, personal finance, and securities markets. He highlighted the importance of developing sound financial habits and gaining adequate knowledge before making investment decisions. Around 80 students participated in the programme and actively engaged in the interactive question-and-answer session. The students clarified their doubts and gained practical insights into financial planning, investments, and responsible money management. The programme successfully combined the inauguration of the Economics Association 2026 with valuable financial awareness. It was coordinated by Dr. Madhura Bashini. PJ, Faculty Coordinator, and provided students with useful knowledge to make informed financial decisions.

Department Of Mathematics (AN)

Workshop On Raising A Mathematician

The Department of Mathematics organised a workshop for school students titled "Raising a Mathematician" on 11 August 2026. The programme was conducted with the objective of developing students' interest in Mathematics and encouraging them to approach the subject with curiosity, confidence, and a positive attitude. The workshop provided an engaging learning environment for the participating school students and encouraged them to explore Mathematics beyond the conventional classroom approach. The programme focused on developing mathematical thinking, logical reasoning, problem-solving skills, and a greater appreciation for the subject. Through the workshop, the students were encouraged to participate actively, think independently, and develop an interest in exploring mathematical concepts in meaningful ways. The programme also helped them understand the importance of Mathematics in everyday life and its relevance to various fields of study and future careers. Overall, the workshop was a meaningful and enriching initiative that encouraged young learners to develop their mathematical abilities and curiosity. "Raising a Mathematician" successfully created awareness about the importance of Mathematics and motivated the students to approach the subject with greater interest and confidence.

The event successfully inaugurated the Department Association for the academic year 2026–2027 and created awareness among students about professional opportunities in Corporate Secretarial Practice and related fields. , the programme served as a valuable platform for knowledge sharing, professional interaction, and career awareness. It motivated students to participate actively in departmental and professional activities and encouraged them to develop their professional knowledge, confidence, and communication skills. The event concluded successfully with the active participation of the faculty members and students.

1. DEPARTMENT OF BUSINESS ADMINISTRATION (AN)

Association ceremony

The Department of Business Administration organised the Inauguration of the Department Association – Colonist Club 2026 on Tuesday, 11 August 2026, from 2.00 p.m. to 4.30 p.m. at the Golden Jubilee Seminar Hall. The programme was conducted under the theme “BBA to FinTech – Building a Career in Digital Finance” with the objective of welcoming the first-year students, introducing them to the department and its academic environment, and creating awareness about career opportunities in the emerging field of digital finance. The programme commenced with a prayer and welcome address, followed by the presentation of the association report for the academic year 2025–2026 and an overview of the forthcoming activities for 2026–2027. The students were also introduced to the department, faculty members, office bearers, and the academic environment . The Resource Person, Dr. Manisha Singh, addressed the students on FinTech and digital finance, highlighting the growing career opportunities in the field and the skills required for professional success. The session provided students with valuable insights into emerging career pathways and encouraged them to develop relevant knowledge and competencies. The programme also included the distribution of badges and an interaction with the faculty members. Dr. S. Firdouse Jahan, Head and Vice Principal, Department of Business Administration, supported and guided the programme. The event successfully created awareness among students about the department, association activities, and career opportunities in digital finance, while encouraging them to actively participate in academic and professional development activities.

DEPARTMENT OF TOURISM AND TRAVEEL MANAGEMENT (AN)

Association ceremony

The Department of Tourism & Travel Management, under the Yuva Tourism Club, organised the Inauguration of the Department Association – TOURISTRY 2026 along with a workshop on Heritage Interpretation on Tuesday, 11 August 2026, from 2.00 p.m. to 4.00 p.m. at the Library Convention Hall. The programme aimed to enhance students' understanding of heritage and its significance in the tourism industry. The Resource Person, Ms. S. Sathyavalli, Curator, Egmore Museum, Chennai, addressed the students on heritage interpretation, highlighting the importance of museums, monuments, historical sites, and cultural resources. She explained how effective interpretation helps visitors understand and appreciate cultural heritage and creates meaningful tourism experiences. The workshop provided students with practical insights into presenting and communicating heritage to visitors. It also helped them understand the importance of preserving cultural resources and developing skills relevant to careers in tourism and heritage management. The programme was coordinated by Dr. N. Thiruprasundari, Associate Professor, under the guidance of Dr. M. V. Karunambigai, Head & Associate Professor. Students actively participated in the session and benefited from the interaction with the resource person. Overall, the programme successfully combined the inauguration of TOURISTRY 2026 with valuable learning and career-oriented exposure.

DEPARTMENT OF TOURISM AND TRAVEL MANAGEMENT (AN)

Madras Day Celebration

The Department of Tourism & Travel Management organised Madras Day 2026 on Saturday, 22 August 2026, at 11.00 a.m. at the Library Convention Hall under the theme “Manasellaam Madras, Vibe-ellaam Chennai.” The programme aimed to create awareness among students about the cultural heritage, traditions, history, and unique identity of Chennai. Mr. S. Anwar Kombai, Writer, Filmmaker, Storyteller and Photographer – Chennai, was the Chief Guest. He shared his experiences and insights on Chennai’s culture, heritage, and evolving identity, providing students with a creative perspective on the city and its significance. The programme offered students an opportunity to understand and appreciate the rich cultural heritage of Chennai. The interaction with the Chief Guest also encouraged students to explore the city’s history, traditions, and cultural expressions from a broader perspective.

The programme was organised under the guidance of Dr. Amthul Azeez, Principal & Correspondent, with the support of Dr. M. V. Karunambigai, Head & Associate Professor, and Dr. Asfiya Banu, Faculty Coordinator, Department of Tourism & Travel Management. A total of 20 participants took part in the celebration. Overall, the programme was a meaningful initiative that celebrated the heritage and vibrant spirit of Chennai and created greater cultural awareness among the students.

DEPARTMENT OF TOURISM AND TRAVEL MANAGEMENT (AN)

Madras Day - Food Mela

The Department of Tourism & Travel Management organised Madras Day 2026 – Food Mela on Friday, 21 August 2026, at the Students Parking Area under the theme "Manasellaam Madras, Vibe-ellaam Chennai – A Festival of Flavours." The event aimed to celebrate the rich heritage, culture, and culinary traditions of Chennai while providing students with an opportunity to showcase their creativity and teamwork. The students of the Department of Tourism & Travel Management actively participated in the Food Mela by setting up and managing various food stalls. A variety of traditional and popular food items were prepared and served, reflecting the diverse flavours and food culture associated with Chennai. The event provided students with practical exposure to stall management, communication, teamwork, and basic entrepreneurial skills. It also helped them understand the connection between food, culture, and tourism and encouraged them to present Chennai's culinary heritage in an engaging manner.

Overall, the Food Mela was an enjoyable and enriching celebration that brought together food, culture, and tourism. The active participation of the students made the event successful and created a vibrant atmosphere while promoting appreciation for the unique food traditions of Chennai.

DEPARTMENT OF MICROBIOLOGY (AN)

Pasteur Club Inauguration

The Department of Microbiology, a DST-PG-CURIE Sponsored Department, organised the Pasteur Club Inauguration 2026 on Friday, 21 August 2026, from 3.00 p.m. to 5.00 p.m. at the Golden Jubilee Seminar Hall. The programme was conducted under the theme “From Reels to Reality – Can You Trust the Health Advice on Your Screen?” to promote awareness about reliable health information and responsible use of social media. The programme commenced with a prayer, followed by the welcome address, an introduction to the objectives of the Pasteur Club, and the presentation of the annual report. The Chief Guest, Dr. B. Rayvathy, Assistant Professor, Department of Microbiology, Dr. ALM PG Institute of Basic Medical Sciences, University of Madras, Chennai, addressed the gathering on the importance of verifying health information available on social media platforms. Dr. Rayvathy emphasised the need to distinguish between evidence-based health information and misinformation and encouraged students to rely on credible scientific and medical sources before accepting or sharing health-related information. The session also highlighted the importance of critical thinking and responsible communication in the digital age. The programme concluded with the induction and pledge ceremony, followed by the Vote of Thanks and the National Anthem. The event was conducted under the guidance of Dr. Amthul Azeez, Principal & Correspondent, Dr. Summera Rafiq, Head of the Department, and Pasteur Club Coordinators Dr. R. Lakshmi and Mrs. S. M. Shakira Begum. Overall, the programme marked an informative and meaningful beginning to the activities of the Pasteur Club.

DEPARTMENT OF ELECTRONICS (AN)

Inaugural Ceremony

The Department of Electronics with Artificial Intelligence organised the Electro Tech Club Inauguration on Saturday, 29 August 2026, at 3.30 p.m. at the Library Convention Hall under the theme "Alumnae Connect and Solar Energy System Demonstration." The programme provided students with an opportunity to gain practical knowledge about solar energy and interact with alumnae from the department. The programme featured a demonstration of the Solar Energy System, where students were introduced to its components, working principles, and applications. The session helped students understand the importance of renewable energy and the practical use of solar technology.

The Alumnae Connect session featured Mrs. Dilshad Banu, Mrs. Jeyavarshini, Ms. Shakthi Maheshwari, LKP Academy representative, Dr. Sathish, and Ms. Monica, along with the faculty members. The alumnae shared their career journeys, experiences, challenges, and insights into career opportunities, highlighting the importance of skill development, continuous learning, communication, and professional growth. The programme was an informative and engaging learning experience that combined technical knowledge with career guidance. It encouraged students to explore emerging technologies, learn from professional experiences, and develop the skills required for their future academic and career growth.

THE STUDENTS' COUNCIL (FN)

Freshers' Eve'26

Freshers' Eve'26 – Best of Broadway was organised by the Students' Council on 18 August 2026 in offline mode to warmly welcome the first-year students. The event commenced with an address by the Principal and correspondent, who welcomed the students and wished them a successful and memorable day.

The celebration continued with a spectacular Broadway-themed showcase, where the freshers brought twelve iconic productions to life, including The Lion King, The Great Gatsby, Shrek the Musical, MJ, Back to the Future, SIX, Harry Potter, Hadestown, Les Misérables, Hairspray, and Wicked. The performances showcased their creativity, confidence, teamwork, and enthusiasm.

The programme was followed by Objet d'Art and Wearable Art, where students showcased handcrafted costumes, headgear, and themed artworks inspired by their respective musicals. The vibrant display added an artistic touch to the celebration and complemented the theatrical performances.

The event provided the freshers with an exciting platform to showcase their talents, express their creativity, and begin their college journey with a memorable Broadway-inspired celebration.

THE STUDENTS MAJLIS (AN)

Freshers' Day - STELLAR SAGA'26

The Student Majlis organised Freshers' Day – STELLAR SAGA'26 on 12 August 2026 with great enthusiasm and excitement, marking a warm welcome to the new batch of students. The event provided a vibrant platform for students to showcase their talents, creativity, confidence, and team spirit.

The celebration featured a series of exciting events, including Dialogue Takeover, Scene Recreation, Group Dance, Ramp Walk, and Adaptune. Each event witnessed enthusiastic participation from the students and created an energetic and entertaining atmosphere throughout the programme.

The various performances and activities reflected the students' creativity, confidence, and ability to work as a team. The programme also provided the freshers with an opportunity to interact with one another and begin their college journey in a lively and memorable manner.

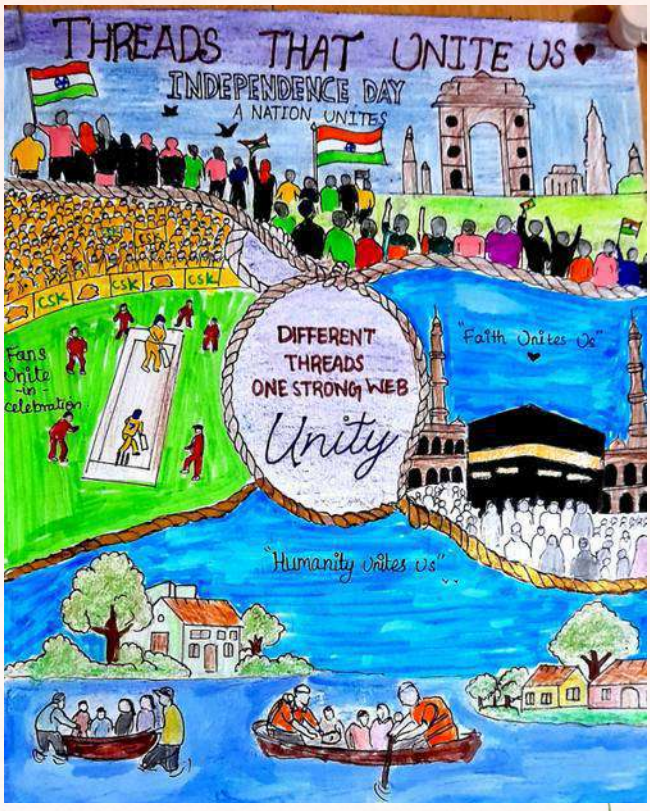

The BBA students emerged as the winners of the Overall Trophy. The event successfully created a joyful and welcoming atmosphere for the freshers and celebrated their talents, enthusiasm, and spirit of participation.

THREADS THAT UNITE US

Different hearts, but one beat,
Different Paths, yet roads can meet.
Love is the thread that brings us near,
Kindness grows when we care.
Friendship shines through every mile,
Hope can turn a tear to smile.
Different cultures, colours, ways,
Still we share our Precious days.
When every thread is woven tight,
Together, we make the world bright

Luthfiya Thahaseen . SH
III B.SC. Mathematics

FROM WOMB TO ETERNITY

Before I knew the language of the world,
I knew a thread.
Not woven from silk, nor spun from gold,
But a silent cord that whispered,
"You belong."

It began beneath my mother's heartbeat—
The first bridge between two souls,
Where love was never spoken,
Only breathed.

That single thread unraveled into many.

One wrapped itself around my father's hands,
Steady as the roots beneath an ancient tree.
One danced through the laughter of siblings,
Knotted with quarrels,
Yet never broken.

Another found companions—
Strangers who slowly became home,
Stitching courage into ordinary days
With shared dreams and borrowed smiles.

Then came love.

Not the hurried flame of passing seasons,
But a patient thread,
Choosing to stay
When storms forgot the meaning of mercy.
Two hearts, not bound by chains,
But gently woven into one tapestry,
Where every tear became another stitch
Holding them closer.

And still the thread wandered—

Into classrooms where teachers lit unseen lamps,
Into unknown hands that offered kindness,
Into every soul that proved
We are stitched together
More often than we realize.

Life, I learned,
Is not measured by the years we gather,
But by the threads we leave behind.

For one day,
Death will arrive without asking permission,
Its quiet fingers loosening my grip.

Yet it cannot unravel what love has woven.

My mother's prayers will still echo,
My father's strength will remain in my steps,
My siblings will laugh at stories that carry my name,
The one I loved will find me
In sunsets, songs, and familiar silences.

Because death ends a heartbeat—
Not a bond.

The finest threads are invisible.
They outlive time,
Outshine distance,
And refuse to surrender to farewell.

For we are not merely people passing through life—
We are threads in one endless tapestry,
Forever weaving one another
Into eternity.
