## No Plastic Drive Campaign

**The Enviro Club organized a No Plastic Drive Campaign on 22 July 2026 on the college campus to raise awareness among students about the harmful effects of single-use plastics and to encourage the adoption of eco-friendly alternatives. As part of the campaign, student volunteers visited various classrooms and educated students about the importance of reducing plastic consumption. They displayed awareness posters, demonstrated the use of reusable alternatives such as steel water bottles and cloth bags, and emphasized the importance of keeping classrooms and the college campus clean and free from plastic waste.**

**The campaign received enthusiastic participation from both students and faculty members. It successfully increased awareness about the environmental impact of plastic waste and motivated students to adopt sustainable and environmentally responsible practices in their daily lives. The No Plastic Drive Campaign effectively promoted environmental responsibility and reinforced the message, "Say No to Plastic, Save Our Planet."**

## Tree Plantation Programme

Under the National Service Scheme (NSS), with its guiding motto "Not Me But You," Justice Basheer Ahmed Sayeed College for Women (Autonomous), Chennai, organized a Tree Plantation Programme on 7 July 2026 at the College Campus. The programme commenced at 11.00 a.m. and aimed to promote environmental awareness while encouraging students to actively participate in nature conservation through tree plantation. The programme was graced by Dr. Vijaya Bhaskaran, Environmentalist, President of Exnora Green Cross, and Honorary Tree Warden, Tamil Nadu Forest Department, as the Chief Guest. He emphasized the importance of planting and preserving trees to protect the environment and mitigate the effects of climate change. The plantation drive began with a welcome address, followed by the planting of saplings across the campus. Dr. S. Kaneez Fathima, Dr. Mercy Rajasekar, and Dr. Firdous Jahan also participated by planting saplings and encouraged the NSS volunteers to become ambassadors of environmental conservation.

A total of 25 NSS volunteers actively participated in the plantation drive. They also took a pledge to nurture and protect the saplings, demonstrating their commitment to creating a greener and healthier environment. The programme enhanced students' understanding of environmental conservation, sustainable development, and individual responsibility in protecting natural resources. It inspired them to adopt eco-friendly practices and actively participate in initiatives that contribute to environmental well-being. The programme concluded with a Vote of Thanks and was a great success, reflecting the spirit of teamwork, youth participation, and social responsibility while upholding the values of the National Service Scheme and its motto, "Not Me But You."

# *NATIONAL SERVICE SCHEME UNIT (FN & AN)*

## Women's Safety Programme

The National Service Scheme organized a Women's Safety Programme titled "Empowering Women for a Safer Tomorrow" under the theme "Strong Women, Safe Communities" on 9 July 2026 at 11.30 a.m. in the Library Convention Hall. The programme featured Ms. E. Vasughi, Sub-Inspector of Police, E3 Teynampet Police Station (2021 Batch), as the Resource Person. The event aimed to empower young women through awareness, education, and guidance on personal safety, legal rights, and social responsibility. The programme commenced with a welcome address, followed by the introduction of the resource person.

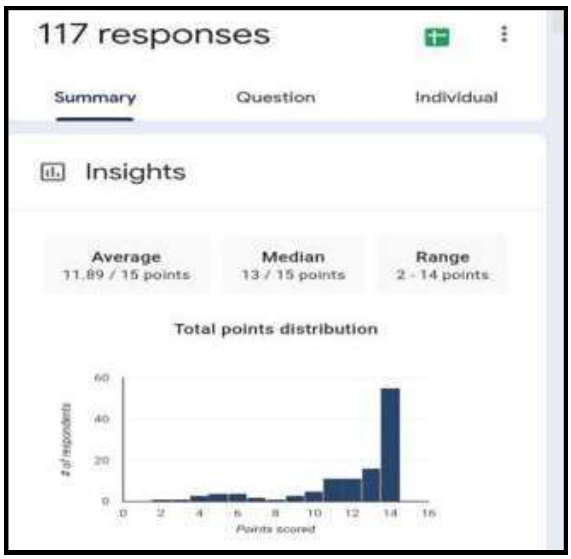

During her session, Ms. E. Vasughi delivered an inspiring and informative talk on women's empowerment and safety. She highlighted important aspects of personal safety, legal rights, cyber safety, self-confidence, and the importance of remaining alert and responsible in today's society. She also encouraged students to speak up against injustice, make use of available legal support systems, and contribute towards building safer communities. The session was highly interactive, with students participating in discussions and seeking clarification on various issues related to women's safety and empowerment. A total of 142 students attended the programme and benefited from the valuable knowledge and practical guidance provided during the session. The programme enhanced students' awareness of women's safety, empowerment, leadership, and social responsibility. It inspired them to uphold the values of courage, equality, and responsible citizenship.

# World Population Day Online Quiz

**The National Service Scheme organized an Online Quiz on the occasion of World Population Day on 11 July 2026 from 5.00 p.m. to 6.00 p.m. through Google Forms. The programme aimed to create awareness among students about population growth, sustainable development, and the challenges associated with increasing population. The online quiz commenced at 5.00 p.m. and provided students with an engaging platform to assess their knowledge of the significance of World Population Day. The quiz included questions on population growth, resource management, environmental sustainability, and the role of individuals in building a sustainable future. A total of 117 students submitted their responses through Google Forms. The programme enhanced students' awareness of population-related issues and encouraged them to think critically about the impact of population growth on society, natural resources, and the environment. It also motivated them to become informed and responsible citizens who can contribute towards a sustainable future. The online quiz concluded successfully at 6.00 p.m. and reflected the values of awareness, education, and social responsibility, truly embodying the spirit of the National Service Scheme and its motto, "Not Me But You."**

# *NATIONAL SERVICE SCHEME UNIT (FN & AN)*

# 108 Emergency Response: Golden Hour and First Aid Programme

**The National Service Scheme organized an awareness programme titled "108 Emergency Response: Golden Hour and First Aid" under the theme "One Call, One Action Can Save a Life" on 14 July 2026 from 10.30 a.m. to 12.30 p.m. at the Golden Jubilee Seminar Hall. The programme was conducted by Mr. Shankar and Mr. Silver Stalin, Trainers from the 108 Ambulance Service, and aimed to educate students about the significance of the golden hour, first aid, and the effective utilization of the 108 Emergency Ambulance Service. The programme commenced with a welcome address, followed by the introduction of the resource persons. The trainers delivered an informative presentation on the concept of the golden hour and explained how immediate medical attention during emergencies can significantly improve survival rates. They also demonstrated essential first aid techniques for managing accidents, bleeding, fractures, burns, choking, and other emergency situations. In addition, they educated students on the proper use of the 108 Emergency Ambulance Service, emphasizing the importance of remaining calm and taking prompt action during emergencies. The live demonstrations made the session highly interactive and provided participants with practical knowledge of basic first aid procedures. A total of 161 students attended the programme.**

The awareness session equipped participants with valuable knowledge and practical skills to respond effectively during emergencies and encouraged them to become responsible citizens capable of assisting others until professional medical help arrives. The programme concluded successfully with an interactive question-and-answer session. It was highly appreciated by the participants and reflected the spirit of preparedness, service, and community responsibility while upholding the values of the National Service Scheme and its motto, "Not Me But You."

# *(FN & AN)*

# My Bharat Portal Orientation Programme

**The National Service Scheme organized an Orientation Programme titled "My Bharat Portal: A Gateway to Youth Development" under the theme "Today's Youth, Tomorrow's Nation – Join My Bharat" on 23 July 2026 at the Sports Pavilion Hall. The programme was conducted by Mr. R. Vijay and Ms. Ranjana, Young Professionals from the NSS Regional Directorate, Chennai, and aimed to create awareness about the significance of NSS, the benefits of volunteering, and the opportunities available through the My Bharat Portal. Mr. R. Vijay addressed the students on the objectives and importance of the National Service Scheme. He also encouraged students to actively participate in NSS activities and contribute meaningfully to society. Following this, Ms. Ranjana conducted a practical orientation on the My Bharat Portal, demonstrating the registration process step by step. She explained how students could access the portal, complete their registration, and make use of various volunteering, skill development, and youth engagement opportunities available through the platform. A total of 164 students attended the programme. Under the guidance of the resource persons, all the participants successfully completed their registration on the My Bharat Portal. The programme concluded successfully and inspired students to become active volunteers and responsible citizens. It effectively promoted youth participation, leadership, and community service while reflecting the values of the National Service Scheme and its motto, "Not Me But You."**

# *NATIONAL SERVICE SCHEME UNIT*

# *(FN & AN)*

# Sanitary Napkin Distribution Programme

**Under the National Service Scheme (NSS), with its guiding motto "Not Me But You," had organized Sanitary Napkin Distribution Programmes on 3 July 2026 at the NSS Room and on 27 July 2026 at the College Campus. Both programmes were conducted to promote menstrual hygiene awareness and ensure access to essential menstrual hygiene products for third-year students and NSS volunteers, respectively. The programmes commenced with a brief introduction on the importance of menstrual hygiene and women's health. Under the guidance of the NSS Programme Officers, NSS volunteers actively organized and coordinated the distribution of sanitary napkins. The initiatives emphasized the importance of hygiene, health, and self-care while encouraging open discussions to break the stigma surrounding menstruation and promoting awareness of menstrual health. Both programmes concluded successfully with the active participation of NSS volunteers and students. They reflected the spirit of service, and social responsibility and truly embodied the values of the National Service Scheme and its motto, "Not Me But You.**

# NATIONAL SERVICE SCHEME UNIT (FN & AN)

## Nash Mukt Yuva for Viksit Bharat- Nash Mukt Pledge Campaign

The National Service Scheme actively participated in the "Nasha Mukt Yuva for Viksit Bharat – Nasha Mukt Pledge Campaign" conducted through the My Bharat Portal on 23 July 2026. The programme was organized to create awareness among youth about the harmful effects of drug abuse and to encourage them to pledge their commitment towards building a healthy, drug-free, and developed India. Following the invitation from the My Bharat Portal, 400 NSS volunteers enthusiastically participated in the online campaign by taking the Nasha Mukt Pledge. The volunteers pledged to stay away from drugs, spread awareness about substance abuse, and motivate others to adopt healthy and responsible lifestyles. After completing the pledge, all participating volunteers received digital certificates in recognition of their participation. The campaign strengthened the volunteers' commitment to social responsibility and inspired them to actively contribute towards the vision of a Nasha Mukt Bharat. It also encouraged students to become ambassadors of awareness within their families, educational institutions, and communities. The programme concluded successfully with the enthusiastic participation of 400 NSS volunteers, reflecting the spirit of service, responsibility, and nation-building embodied in the motto of the National Service Scheme, "Not Me But You."

# NATIONAL SERVICE SCHEME UNIT
# (FN & AN)
# Anti-Drug Awareness Camp

The National Service Scheme participated in an Anti-Drug Awareness Camp organized by the Indian Union Muslim League (IUML) in association with 1Health (A Unit of Civix Pvt. Ltd.) on 19 July 2026 at 10.00 a.m. at N. Sesha Mahal, Royapettah, Chennai. The programme aimed to create awareness about the harmful effects of drug abuse, promote lung health, and encourage young people to lead healthy and drug-free lives. The programme commenced with an inaugural session, followed by awareness talks delivered by experts on drug prevention, lung care, and healthy living. The speakers explained the physical, mental, and social consequences of substance abuse and emphasized the importance of making responsible lifestyle choices. A total of five NSS volunteers from the college actively participated in the camp. The volunteers received participation certificates in recognition of their active involvement and commitment to the programme. The camp provided valuable knowledge on preventing substance abuse and maintaining good health. It encouraged the volunteers to spread awareness within society and motivated them to support the mission of building a drug-free community. The programme concluded successfully, truly embodying the values of the National Service Scheme and its motto, "Not Me But You."

# NATIONAL SERVICE SCHEME UNIT
# (FN & AN)
# Disaster Management Demonstration

**The National Service Scheme organized a Disaster Management Demonstration on 30 July 2026 at 11.00 a.m. on the College Campus. The programme was conducted by Mr. Sarath Kumar, Fire Station Officer, Teynampet South District, Tamil Nadu Fire and Rescue Services, in the presence of Dr. Amthul Azeez, Principal and Correspondent, the Vice Principal of both the Forenoon and Afternoon. The programme aimed to educate students on disaster preparedness, fire prevention, emergency response, and the safe handling of fire extinguishers during fire-related emergencies. The resource person provided a detailed demonstration of the different types of fire extinguishers and explained the correct techniques for operating them safely and effectively. He also educated participants on identifying different classes of fires and selecting the appropriate extinguisher for each type. A live fire demonstration enabled students to witness the practical application of fire safety measures. Following the demonstration, the NSS Programme Officers and NSS volunteers were invited to extinguish a controlled fire under the supervision of the resource person. A total of 64 students actively participated in the programme and benefited from the practical learning experience. The programme concluded successfully with positive feedback from the participants and truly reflected the values of the National Service Scheme and its motto, "Not Me But You."**

# *NATIONAL SERVICE SCHEME UNIT*

# *(FN & AN)*

# Anti-Drug Awareness Rally

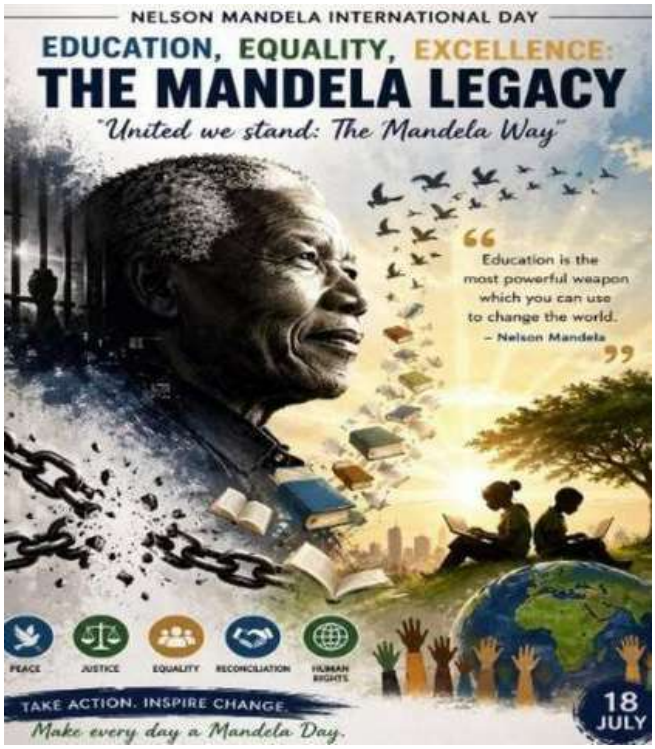

**The National Service Scheme organized an Anti-Drug Awareness Rally under the theme "Breaking the Chains: Prevention, Treatment, and Recovery for All!" on 23 July 2026 at 1.00 p.m. on the College Campus. The programme aimed to create awareness among students about the harmful effects of drug abuse and to emphasize the importance of prevention, timely treatment, recovery, and collective responsibility in building a drug-free society. The rally commenced with the enthusiastic participation of NSS volunteers and students. Participants carried placards and awareness messages, encouraging their peers and the wider community to say no to drugs and adopt healthy and responsible lifestyles. The rally emphasized the importance of early awareness, timely intervention, support for individuals affected by substance abuse, and access to appropriate treatment and recovery services. A total of 164 students participated in the rally. Their active involvement demonstrated their commitment to creating awareness about the dangers of drug abuse and promoting a healthy, safe, and drug-free society. The programme concluded successfully and served as a meaningful initiative to promote social responsibility, awareness, and youth participation. It inspired students to become ambassadors of the message of prevention and recovery while truly reflecting the values of the National Service Scheme and its motto, "Not Me But You."**

# CENTRAL LIBRARY (FN & AN))

## Digital Poster Making Competition

**In commemoration of Mandela Day, observed on 18 July 2026, the Central Library organized a Digital Poster-Making Competition on the themes "Education, Equality, Excellence: The Mandela Legacy" and "United We Stand: The Mandela Way." Students from various departments enthusiastically participated in the competition. Through their creative digital posters, they reflected Nelson Mandela's enduring ideals of education, equality, peace, democracy, human rights, reconciliation, unity, and social justice, thereby promoting awareness and inspiring positive change among the student community. Total Number of Participants: 44 (FN & AN). All participants will receive e-certificates in recognition of their participation. The best three digital posters will be awarded prizes during the National Librarians' Day programme.**

# *NATIONAL CADAT CORPS (FN)*
# Yuva Aapda Mitra Scheme (YAMS)
# Disaster Managment Camp

CQMS M. Thasneem Fathima, SGT B. Abirami, and SGT A. Bharathy from our NCC Unit attended the Yuva Aapda Mitra Scheme (YAMS) Disaster Management Camp, which was conducted from 6 July 2026 to 12 July 2026 at Vel Tech College, Avadi. The camp was designed to prepare young volunteers to respond effectively during natural and man-made disasters. The cadets received practical training in disaster preparedness, emergency response, first aid, rescue techniques, and teamwork. They also learned the importance of leadership, discipline, and community service during times of crisis. Overall, the YAMS Camp enhanced the cadets' awareness, confidence, and sense of responsibility towards society. The knowledge and skills gained through this training will help them serve the community effectively during times of need while upholding the true values of the NCC.

# CONSUMER RIGHTS ASSOCIATION (CRA)

## Association Inauguration & Programme

On 29th July 2026, the Consumer Rights Association (CRA) formally inaugurated its activities for the academic year 2026–2027 at the Seminar Hall, Justice Basheer Ahmed Sayeed College for Women (Autonomous), Chennai. The programme included an Awareness Programme on Wetlands and Climate to promote environmental consciousness among students. The session was delivered by Dr. B. R. Easwari, Civil Engineer, Tamil Nadu Wetlands Mission, who highlighted the importance of wetland conservation, climate awareness, and environmental sustainability. She also emphasised the vital role students can play in protecting natural resources through responsible and sustainable practices. The programme witnessed enthusiastic participation from students and faculty members and concluded successfully, inspiring students to become responsible consumers and environmentally conscious citizens.

# *Internal Quality Assurance Cell (IQAC)*

## Induction Programme for Postgraduate Students

On 6 July 2026, the Internal Quality Assurance Cell (IQAC) organized the Student Induction Programme for Postgraduate Students at the Seminar Hall, Justice Basheer Ahmed Sayeed College for Women (Autonomous), Chennai. The programme was conducted to welcome the newly admitted postgraduate students and familiarize them with the academic environment, curriculum, and opportunities available during their course of study. The programme commenced with a session by Dr. K. Sivasankari on "Campus Journey and Research," introducing students to campus life, the importance of research, and opportunities for academic engagement. This was followed by Dr. A. Sajitha Parvin, who explained the curriculum, evaluation system, course structure, assessment methods, attendance requirements, and academic expectations. Mrs. Jayanthi Sivagami addressed the students on student progression, highlighting the academic and career opportunities available after postgraduate studies. The final session was delivered by Mr. Amose A., who spoke on personality development, emphasizing communication skills, confidence, leadership qualities, and personal growth. The programme was highly informative and motivating, providing students with valuable insights into their academic journey.

# *DEPARTMENT OF BIOCHEMISTRY (FN)*

## BIOSPECTRUM–2026

**The Department of Biochemistry inaugurated the Biochemistry Association, BIOSPECTRUM–2026, on 23 July 2026. The programme featured Dr. S. Narasimhan, Founder and Director of Asthagiri Herbal Research Foundation, Chennai, as the Guest of Honour, who delivered a special address on "A Journey Through the Application of Biochemistry in Research & Development." Dr. S. Narasimhan provided students with valuable insights into current research trends and the growing importance of Biochemistry in various scientific disciplines. Students from all three years actively participated in the intra-departmental competitions conducted as part of the programme. The "Reel the Herb" competition encouraged participants to create informative reels showcasing medicinal herbs and their health benefits, while "Herbal Crossfire," a for-and-against debate, enabled students to critically examine different perspectives on the use and relevance of medicinal herbs. The competitions were evaluated by a panel of judges, who assessed the participants based on their scientific understanding, creativity, presentation skills, and critical thinking. The programme concluded with the presentation of prizes to the winners, marking the successful completion of BIOSPECTRUM–2026. The event provided an excellent platform for students to enhance their scientific knowledge, creativity, communication skills, and research aptitude while encouraging active participation in academic and co-curricular activities.**

# *DEPARTMENT OF MATHEMATICS (FN)*

## The Inauguration of Matrix Club &
## Commeration ofPI (π) Approximation Day

**The Department of Mathematics (Shift I), Justice Basheer Ahmed Sayeed College for Women (Autonomous), organized the Inauguration of the Matrix Club and the Commemoration of Pi (π) Approximation Day on 22 July 2026 from 9.00 a.m. to 1.00 p.m. at the Library Convention Hall, Room No. 89 and 91. Dr. S. Roseline Mary, Assistant Professor, PG & Research Department of Mathematics, Loyola College, Chennai, graced the occasion as the Chief Guest. The programme commenced with a prayer, followed by the Welcome Address and the introduction of the Matrix Club. Dr. Roseline Mary delivered a lecture on "Artificial Intelligence and Fuzzy Mathematics," explaining the significance of Pi π), Fuzzy Mathematics, Fuzzy Logic, and their applications in Artificial Intelligence and Natural Language Processing. This was followed by the Badge and Sash Distribution Ceremony for the newly elected Matrix Club office bearers. The second session included a Pi (π) Approximation Day commemoration, followed by a Journal Making Competition on "Artificial Intelligence and Fuzzy Mathematics," in which 15 teams participated. The Chief Guest evaluated the entries, announced the winners, and appreciated the students' creativity and participation.**

The programme concluded with the presentation of a memento to the Chief Guest, the Vote of Thanks by Ms. H. Ameer Nisha, and the National Anthem. The event successfully enhanced students' knowledge of Artificial Intelligence and Fuzzy Mathematics while promoting creativity, teamwork, and research aptitude.

# *DEPARTMENT OF HOME SCIENCE (FN)*

# Train Today, Thrive Tomorrow : A Fitness Demonstrative Session

**The Nutri Club of the Department of PG Studies and Research in Home Science organized "Train Today, Thrive Tomorrow" – A Fitness Demonstration Session on 27 July 2026 from 11.00 a.m. to 12.00 noon at the FSM Lab. The programme was coordinated by Ms. Tawfeka K. and Ms. Thaarifa Nuha A. The session aimed to promote physical fitness, healthy living, and the importance of incorporating regular exercise into daily life. The programme commenced with a warm-up session, followed by demonstrations of various exercises, including Jumping Jacks, Squats, Spot Jogging, Calf Raises, Wall Sit, and Stretching exercises. Students actively participated throughout the session and learned the correct techniques to improve their strength, flexibility, endurance, and overall fitness. The participants found the session motivating, enjoyable, and highly beneficial. The interactive demonstrations encouraged them to adopt regular physical activity as part of a healthy lifestyle and emphasized the importance of maintaining both physical and mental well-being. The programme concluded successfully, creating greater awareness about fitness and inspiring students to embrace healthy habits for a balanced and active lifestyle.**

# *DEPARTMENT OF HOME SCIENCE (FN)*

## Seminar on Addressing Challenges of Children With Developmental Disabilities

**The Department of P.G. Studies and Research in Home Science organized an International Seminar on "Addressing Challenges of Children with Developmental Disabilities" on 15.07.2026. The seminar was inaugurated by Mrs. Radhika Sridhar, Mr. Sri Vishvesh Sridhar, and Mr. Dhananjayan R. It was coordinated by Dr. Tasneem Kauser and Dr. A. Sajitha Qadir. The resource persons highlighted the importance of inclusive education, recreational therapy, and proper nutrition in supporting children with developmental disabilities. They emphasized the significance of early identification and intervention, the role of families and educators in fostering holistic development, and the need to create an inclusive and supportive environment that enables every child to achieve their full potential. The seminar also encouraged collaboration among healthcare professionals, educators, parents, and policymakers to ensure comprehensive care and equal opportunities for children with developmental disabilities. The interactive sessions enabled participants to gain practical knowledge, exchange ideas, and develop a deeper understanding of inclusive practices and child-centered support systems.**

# DEPARTMENT OF HOME SCIENCE (FN)

## IMAGINORA Pipe Cleaner Workshop (Aura Club)

The Aura Club organized IMAGINORA – A Pipe Cleaner Workshop on 22 July 2026 from 12.00 p.m. to 2.00 p.m. at the FSM Lab. The programme was coordinated by A. N. Fathima Moufika and J. M. Seyed Ramziya. The workshop aimed to encourage creativity, enhance crafting skills, and provide students with an interactive platform to explore artistic expression through pipe cleaner art. The workshop focused on creating a variety of flowers using colourful pipe cleaners. The resource person demonstrated simple techniques for bending, twisting, and shaping pipe cleaners into attractive floral designs, including roses, tulips, daisies, lilies, sunflowers, and other creative flowers. Participants enthusiastically followed the demonstrations and created their own unique floral designs. Students actively participated throughout the session, experimenting with different colour combinations and showcasing their creativity. The workshop helped improve their crafting skills, imagination, patience, and fine motor abilities. It also provided an excellent opportunity for students from various departments to interact, exchange ideas, and learn collaboratively. The programme concluded successfully, leaving the participants inspired to explore more creative art and craft activities while enhancing their artistic and collaborative skills.

# *DEPARTMENT OF PSYCHOLOGY (FN)*
## Association Inaugural Programme

The Department of Applied Psychology and Behavioural Research, Justice Basheer Ahmed Sayeed College for Women (Autonomous), conducted the Psychology Association Inaugural Programme on 30 July 2026. The programme featured Mr. Martyn Stewart and Ms. Sanah Thagur, who were part of the International Mental Awareness Programme, as the resource persons. The session focused on "Managing Anxiety and Stress in Academic Settings." The resource persons shared practical strategies for managing academic stress, building resilience, and promoting emotional well-being among students. The programme also included the facilitation of the Think Well Club Council, a student initiative established by the department in the previous academic year to promote mental health awareness and psychological well-being. The programme was both informative and inspiring, providing students with valuable insights into managing stress and maintaining emotional well-being.

# DEPARTMENT OF CHEMISTRY (FN)

## National Paper Bag Day Celebration

The Department of Chemistry, Justice Basheer Ahmed Sayeed College for Women (Autonomous), Chennai, organized the National Paper Bag Day celebration on 13 July 2026 from 10.00 a.m. to 12.00 noon in Room No. 36 under the theme "Switch to Paper, Save the Earth – Eco in Every Fold." The programme featured Ms. Sruthi S. Nambiar, President, Chennai Chapter 2, Women Professional Connect, as the Resource Person. The event aimed to create awareness about the importance of replacing plastic bags with eco-friendly paper bags and to promote sustainable environmental practices. The programme commenced with a prayer, followed by the Welcome Address delivered by Dr. M. Gulsonbi, Head of the Department of Chemistry, who welcomed the gathering and emphasized the need to adopt sustainable practices to protect the environment. The resource person, Ms. Sruthi S. Nambiar, delivered an informative session on environmental conservation and highlighted the importance of using paper bags as an eco-friendly alternative to plastic bags. She also conducted a live demonstration on paper bag making, explaining the materials required, the step-by-step process, and the practical applications of handmade paper bags. The demonstration encouraged students to develop environmentally responsible habits and inspired them to adopt sustainable practices in their daily lives. The organizing secretaries, faculty members, and all the participants for contributing to the success of the event. The programme ended with the National Anthem. Overall, the National Paper Bag Day celebration successfully promoted environmental awareness and motivated students to adopt sustainable alternatives for a greener future.

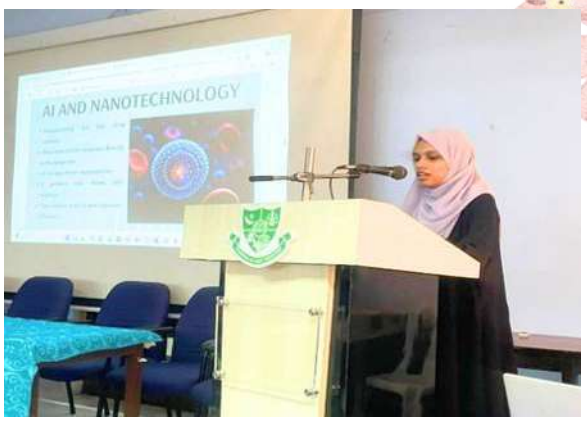

The session was highly interactive, with students actively participating, asking questions, and learning various techniques of paper bag making. A feedback session was also conducted, during which participants shared their positive experiences and appreciated the practical knowledge gained through the programme. The programme concluded with the Vote of Thanks, expressing gratitude to Dr. Amthul Azeez, Principal and Correspondent, the resource person, the Head of the Department, he organizing secretaries, faculty members, and all the participants for contributing to the success of the event. The programme ended with the National Anthem. Overall, the National Paper Bag Day celebration successfully promoted environmental awareness and motivated students to adopt sustainable alternatives for a greener future.

# DEPARTMENT OF CHEMISTRY (FN)

## The Inauguration of Alchemy Club

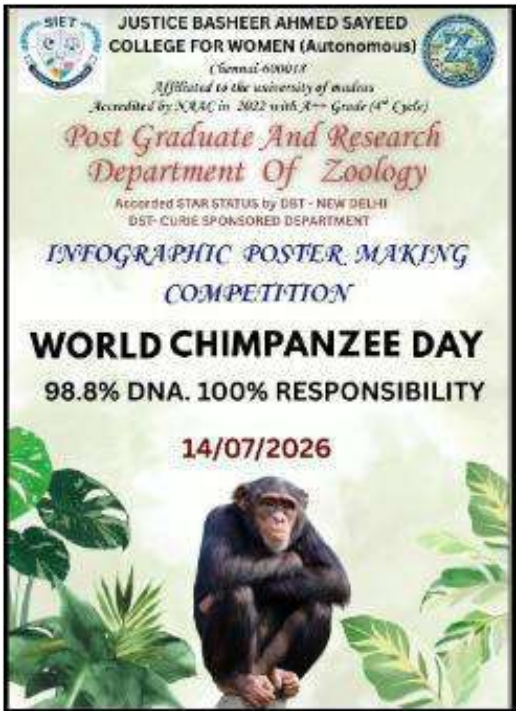

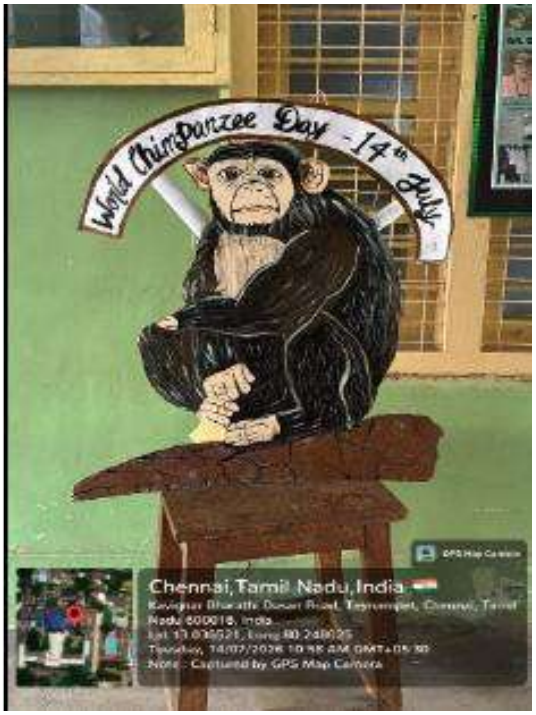

The Department of Chemistry, Justice Basheer Ahmed Sayeed College for Women (Autonomous), inaugurated the Alchemy Club on 6 July 2026 from 9.30 a.m. to 12.00 noon at the Library Convention Hall. The programme was organized by the Department of Chemistry under the guidance of Dr. M. Gulsonbi, Associate Professor and Head, Department of Chemistry, with Dr. P. Anbarasan, Professor, Department of Chemistry, IIT Madras, Chennai, as the Resource Person. The programme aimed to foster scientific curiosity and research aptitude among students, provide a platform to discuss emerging topics in Chemistry, and bridge academia and industry through expert lectures. The programme commenced with a prayer by Ms. Ziya Sulthana, III B.Sc. Chemistry, followed by the Welcome Address delivered by Dr. M. Gulsonbi. The keynote address by Dr. P. Anbarasan focused on current trends in Chemical Sciences, research opportunities, AI applications in Chemistry, and career prospects, inspiring students to pursue scientific research. As part of the programme, CHEMSPARK – A Special Talk was presented by Ms. A. Taslim Banu, III B.Sc. Chemistry, on "Artificial Intelligence Related to Drug Delivery," highlighting the role of AI in pharmaceutical research, drug design, and targeted drug delivery systems. This was followed by an interactive Question-and-Answer Session, during which students clarified their doubts with the resource person. The programme concluded with the Vote of Thanks delivered by Ms. Humaira Muskaan, II B.Sc. Chemistry, followed by the National Anthem.

# DEPARTMENT OF ZOOLOGY (FN)

## World Chimpanzee Day

The P.G. & Research Department of Zoology organized a World Chimpanzee Day programme on 14 July 2026. As part of the celebration, an Infographic Poster-Making Competition was conducted for all undergraduate students of the college. The department's postgraduate students also made a cardboard model of a chimpanzee along with an informative chart display, which was exhibited near the Zoology PG Lab on 17 July 2026. The competition helped create awareness among students about chimpanzees and their importance. It received an enthusiastic response from the students. The winners of the competition will be provided with e-certificates .

# *DEPARTMENT OF ZOOLOGY (FN)*

## Career Acceleration Program

The P.G. & Research Department of Zoology, with the support of the DBT STAR College Scheme Sponsored Programme, organized a Career Acceleration Program on 16 July 2026 (Thursday) from 11.00 a.m. to 1.00 p.m. at the Library Convention Hall. The programme featured Mr. Sudharsan Varatharajan, Co-Founder of Bversity, Chennai, and Mr. Raghul J, Co-Founder of Bversity, Chennai, as the Resource Persons. The programme was conducted for final-year UG and PG students to help them gain a clear vision of their career paths. The resource persons shared valuable insights on career planning and provided informative guidance to help students prepare for their future professions. The programme was conducted successfully with the support of Dr. A. Ghousia Nisha, Assistant Professor and Event Coordinator; Dr. R. Lucky, Assistant Professor and Department DBT Coordinator; and Dr. S. Kaneez Fathima, HOD (I/C) and Dean of Science.

# *DEPARTMENT OF ZOOLOGY (FN)*

## World Snake Day

The P.G. & Research Department of Zoology organized a programme on "Snakes of the Indian Peninsula" to commemorate World Snake Day on 17 July 2026 (Friday) from 11.30 a.m. to 1.00 p.m. at the Library Convention Hall. The programme featured Dr. S. R. Ganesh, Director of Research, Kalinga Foundation, Agumbe, Karnataka, as the Resource Person. Dr. Ganesh delivered an informative lecture on snakes, explaining their habitat, behaviour, and importance. Despite a medical emergency, he attended the programme and interacted with the students by clarifying their doubts and providing information about career opportunities in the field. An ice-breaking session organized by the department's research scholars included a presentation on snakes and venom extraction, followed by an interactive and engaging question-and-answer session. The programme was conducted successfully with the support of Dr. M. Parveen, Assistant Professor and Event Coordinator, and Dr. S. Kaneez Fathima, HOD (I/C) and Dean of Science.

# DEPARTMENT OF ZOOLOGY (FN)

## Science Beyond School

The P.G. & Research Department of Zoology, with the support of the DBT STAR College Scheme Sponsored Programme, organized Science Beyond School on 20 July 2026 (Monday) from 8.30 a.m. to 1.00 p.m. at the Golden Jubilee Seminar Hall. The programme featured Dr. Aneesh Nair, Associate Professor, Department of Allied Health Sciences, Noorul Islam Centre for Higher Education, Kanyakumari, as the Resource Person. The programme aimed to popularize basic science among school students. Dr. Aneesh Nair explained the applications of science in everyday life and made the session engaging and interactive. The students asked many curious questions and gained valuable insights into higher education and career opportunities. After the session, the students participated in a workshop held in Zoology Labs 3 and 4, where they observed onion root formation, different species, and other practical demonstrations. The department's research scholars also explained various scientific activities and projects. The programme was conducted successfully with the support of Dr. D. Mubeen Sultana, Associate Professor and Organising Secretary; Dr. R. Lucky, Assistant Professor and Department DBT STAR Coordinator; and Dr. S. Kaneez Fathima, HOD (I/C) and Dean of Science.

# DEPARTMENT OF ZOOLOGY (FN)

# IDEATHON-3.0 -2026

The P.G. & Research Department of Zoology, with the support of the DBT STAR College Scheme Sponsored Programme, organized IDEATHON 3.0 – 2026 on 20 and 21 July 2026 (Monday and Tuesday). The programme was held from 10.30 a.m. to 1.00 p.m. on 20 July at the Golden Jubilee Seminar Hall and from 9.00 a.m. to 1.00 p.m. on 21 July at the Placement Room, DJ Block. The programme featured Dr. Aneesh Nair, Associate Professor, Department of Allied Health Sciences, Noorul Islam Centre for Higher Education, Kanyakumari, as the Resource Person. The programme was organized for all the DBT STAR Departments of the college. Students from the science stream attended the session, during which Dr. Aneesh Nair explained various aspects of research, including topic selection, the use of materials and equipment, general guidelines, and other essential components of research. On 21 July 2026, the selected student teams presented their project topics to Dr. Aneesh Nair. He discussed the major and minor aspects of each project, clarified the students' doubts, and provided valuable suggestions to strengthen their research ideas. The department's research scholars coordinated the arrangements for both the lecture and the project presentations. The programme was conducted successfully with the support of Dr. D. Mubeen Sultana, Associate Professor and Organising Secretary.

## Career Awareness Program : Soft Training And Career Readiness

**The Career Guidance and Placement Centre (CGPC), in collaboration with Dewiit Technologies, organized a Career Awareness Programme titled "Software Training and Career Readiness" on 14 July 2026 from 2.00 p.m. to 3.30 p.m. at the Library Convention Hall. The programme was conducted by representatives from Dewiit Technologies and aimed to create awareness about software training and placement opportunities while equipping students with the skills required to meet industry demands. The resource persons introduced students to various software technologies, certification courses, internships, and placement opportunities offered by the organization. They emphasized the importance of upskilling in emerging domains such as AI, Machine Learning, Data Analytics, Cloud Computing, Cyber Security, Full Stack Development, and Data Science. The session also highlighted industry expectations and the technical competencies required to build careers in the IT sector. The programme was highly interactive and enabled students to gain insights into current industry trends and career opportunities. in the software industry. It motivated them to enhance their technical knowledge through certification programmes, internships, and placement-oriented training. The programme witnessed the participation of 106 final-year students. It concluded successfully, enhancing students' awareness of industry-relevant technologies, career prospects, and the skills required to succeed.**

## Career Guidance Programme: Emerging Tech & DeepTech Career Pathways

The Career Guidance and Placement Centre (CGPC) organized a Career Guidance Programme titled "Technology Trends and Future Career Pathways" on 13 July 2026 from 10.00 a.m. to 12.30 p.m. at the Library Convention Hall. The programme featured Mr. Deepakraj from DeepTechVerse as the Resource Person. It aimed to create awareness among students about emerging technologies, DeepTech career opportunities, and the skills required to build successful careers in the technology sector. During the session, Mr. Deepakraj introduced students to the latest advancements in emerging technologies and explained the growing scope of DeepTech careers. He highlighted the technical skills, knowledge, and industry expectations required to excel in technology-driven fields. The session also focused on future career opportunities and encouraged students to stay updated with rapidly evolving technologies. Students actively participated in the interactive session, clarified their doubts, and gained valuable insights into preparing for careers in the rapidly changing technology landscape. A total of 66 third-year students from the BCA and B.Sc. Computer Science departments participated in the programme.

# *PLACEMENT UNIT (AN)*

## Seminar Programme :

## Our Success From Action DNA

**The Career Guidance and Placement Centre (CGPC) organized a seminar titled "Our Success: Unlocking Career Potential with Action DNA" on 22 July 2026 from 2.45 p.m. to 4.00 p.m. at the Seminar Hall. The programme was conducted by representatives from Action DNA for pre-final-year students. It aimed to inspire students to recognize their strengths, develop essential employability skills, and prepare for successful career opportunities. The resource persons delivered an engaging and interactive session focusing on self-development, career planning, and industry readiness. They shared practical insights on building self-confidence, improving employability skills, identifying individual strengths, and preparing effectively for future career opportunities. Students actively participated in the seminar and gained valuable knowledge about professional growth, career planning, and industry expectations. The session encouraged them to begin preparing early for placements and higher career aspirations while developing a positive and goal-oriented mindset. The programme witnessed the participation of 310 pre-final-year students from B.Com. (General, Honours, A&F, ISM & CS), BCA, B.Sc. Computer Science, and B.Sc. Statistics. It concluded successfully, motivating students to strengthen their employability skills and work towards achieving long-term career success.**

# *PLACEMENT UNIT (AN)*

# CSR Training Programme – Basic Computer Skill & Tally Training

**The Career Guidance and Placement Centre (CGPC), in collaboration with the American India Foundation (AIF), organized a 15-day CSR Training Programme on Basic Computer Skills and Tally for AN Shift students from 8th July to 24th July 2026 at the Placement Training Room. The sessions were conducted daily from 10.00 AM to 12.30 PM by experienced trainers from AIF. The programme aimed to equip students with practical knowledge of MS Office and Tally, enabling them to develop essential technical and accounting skills required in today's professional environment. Through interactive and hands-on training sessions, participants gained proficiency in preparing documents, spreadsheets, presentations, and maintaining basic accounting records using Tally. The practical approach of the programme enhanced their confidence in using digital tools and strengthened their workplace readiness. A total of 63 registered final-year students from various departments actively participated in the training programme. The initiative concluded successfully, with students acquiring industry-relevant computer and accounting skills that will contribute to their employability and future career opportunities.**

# DEPARTMENT OF ENGLISH (FN)

## Beyond Stage Fear Workshop

The Department of English organized a workshop titled "Beyond Stage Fear" on 21 July 2026 from 1.30 p.m. to 5.00 p.m. at the Library Convention Hall for first- and second-year students. The programme featured Dr. Sachin as the Resource Person. The workshop aimed to help students overcome stage fear, build self-confidence in public speaking, improve their English communication skills, and develop teamwork and critical thinking through interactive learning. The programme commenced with a prayer by Ms. Nasrin, followed by a welcome address by Ms. Rajeena. The session also featured inspiring recitations of "Where the Mind Is Without Fear" by Rabindranath Tagore and "The Road Not Taken" by Robert Frost. Dr. Sachin conducted an engaging and interactive session, sharing practical techniques to improve English fluency, communication skills, and confidence in public speaking. Students who struggled with stage fear were encouraged to participate in on-the-spot activities, where they received valuable guidance and encouragement. Interactive games such as Quiz Time and Smart Rope made the workshop lively while promoting teamwork, confidence, and quick thinking. The workshop witnessed the enthusiastic participation of 53 students and was highly appreciated for its practical and interactive approach. The participants gained greater confidence in public speaking, enhanced their communication skills, and learned effective strategies to overcome stage fear, making the programme a meaningful and successful learning experience.

# DEPARTMENT OF COMPUTER SCIENCE (AN)

## One-Day Workshop on Cloud Computing

**The Department of Computer Science organized a One-Day Workshop on Cloud Computing on 23 July 2026 from 2.00 p.m. to 5.30 p.m. at Lab 5. The programme aimed to introduce postgraduate students to cloud computing concepts, virtualization, cloud security, and career opportunities. The programme commenced with the recitation of the Holy Qur'an by Ms. Safa, followed by the Welcome Address by Ms. Bushra Maryeum. The session was compered by Ms. Neha Fathima. The Resource Person, Mr. Afzal Bijli FHM, Assistant Professor, MEASI Institute of Information Technology, delivered an interactive session on cloud computing and its industry applications. A memento was presented by Dr. (Mrs.) R. Reshma, Head of the Department of Computer Science. The programme concluded with the Vote of Thanks by Ms. Varshini, followed by the National Anthem. The workshop enhanced students' understanding of cloud computing and created awareness about emerging career opportunities in the field.**

# *DEPARTMENT OF MICROBIOLOGY (AN)*
# workshop on "Advancing Laboratory Skills through UV-Visible Spectrophotometry and HPLC"

The Department of Microbiology organized a workshop on "Advancing Laboratory Skills through UV-Visible Spectrophotometry and HPLC" on 9 July 2026 at 11.30 a.m. in Room No. 54 and 205. The workshop was conducted by Dr. W. Parveen, Associate Professor, and Dr. Summera Rafiq, Head and Associate Professor, with the participation of 80 students. The programme aimed to provide participants with a comprehensive understanding of the principles and working mechanisms of UV-Visible Spectrophotometry and High-Performance Liquid Chromatography (HPLC), while developing practical laboratory skills in instrument operation, sample preparation, data acquisition, result interpretation, instrument maintenance, troubleshooting, and Good Laboratory Practices (GLP). During the session, the resource persons explained the principles, applications, and significance of both instruments in microbiological, pharmaceutical, and clinical research through detailed presentations, live demonstrations, and practical sessions. Participants gained valuable knowledge in sample preparation, instrument handling, analytical procedures, and data interpretation while developing confidence in operating sophisticated laboratory equipment. Overall, the programme proved to be informative and beneficial.

# DEPARTMENT OF MICROBIOLOGY (AN) MICROELECTRIC -2026

The Department of Microbiology organized MICROECLECTIC 2026 on 15 July 2026 from 3.00 p.m. to 5.00 p.m. at the Seminar Hall under the theme "The Silent Pandemic: Antimicrobial Resistance (AMR)." The programme featured Dr. Prabu D., Head of the Department, University of Madras, as the Chief Guest. The event aimed to create awareness about antimicrobial resistance, educate students on the causes and prevention of antibiotic resistance, and promote the rational use of antibiotics through antimicrobial stewardship. Dr. Prabu D. delivered an informative lecture on the growing threat of antimicrobial resistance, highlighting how the misuse and overuse of antibiotics contribute to the development of resistant bacteria and the serious challenges they pose to public health. He emphasized the importance of responsible antibiotic use, infection prevention, and antimicrobial stewardship in combating AMR. Following the lecture, a Badge Ceremony was held, during which departmental badges were presented to the students as a symbol of pride, responsibility, and professional identity. The programme witnessed the enthusiastic participation of 147 students and concluded successfully with positive feedback from the participants. The session significantly enhanced students' awareness of antimicrobial resistance and encouraged them to adopt responsible practices in the use of antibiotics, thereby contributing to better public health and community well-being.

# *RELIGIOUS INSTRUCTION FORUM*
## Rededication of the College Masjid

The Religious Instruction (RI) Forum of Justice Basheer Ahmed Sayeed College for Women (Autonomous) organized the Rededication of the College Masjid on 2 July 2026 from 12.15 p.m. to 1.20 p.m. at the College Masjid. The programme was graced by Mrs. Bader Sayeed, Chairperson of Justice Basheer Ahmed Sayeed College for Women, Dr. Amthul Azeez, Principal & Correspondent , and members of the College Council. The event was organized to formally rededicate the college prayer hall and reaffirm its spiritual significance within the institution. The programme commenced with a ribbon-cutting ceremony led by Mrs. Bader Sayeed. The proceedings were compered by Mrs. Faiz Jahan, Assistant Professor, Department of English. The spiritual session began with the recitation of verses from the Holy Qur'an and Hadith by students, followed by a dua recitation by Mrs. Waseema, Professor, Department of Arabic. Dr. H. Abida, RI Coordinator, addressed the gathering and offered heartfelt duas.

This was followed by an address by the Principal & Correspondent, Dr. Amthul Azeez, who shared valuable guidance on maintaining the sanctity of the masjid and highlighted its importance within the college. Mrs. Bader Sayeed then delivered an inspiring address, encouraging students to uphold spiritual values and moral responsibility. Adding historical significance to the occasion, Dr. Shanaz Ahamed, former Principal of the college, shared fond memories and the history of the college prayer hall. The programme concluded with the Vote of Thanks delivered by Mrs. S. Jamal Sayeedha Tabassum, RI Coordinator, followed by the Friday congregational prayer. The event was conducted with great reverence and dignity, strengthening the spiritual environment of the institution and reinforcing the importance of faith, unity, and community among students and staff.

# STUDENTS INDUCTION PROGRAMME

Justice Basheer Ahmed Sayeed College for Women (Autonomous), Chennai, organized the Student Induction Programme for first-year students during July 2026. The programme was conducted across all departments to welcome the freshers, familiarize them with the campus, and help them transition smoothly into college life. The programme began with a prayer, followed by a welcome address by the respective Heads of the Departments. Faculty members introduced the curriculum, academic regulations, departmental activities, library resources, clubs, and co-curricular opportunities, while emphasizing discipline, attendance, ethics, and holistic development. Interactive sessions, ice-breaking activities, motivational talks, and group discussions created a friendly atmosphere and encouraged students to actively participate in academic and extracurricular activities. The programme also introduced student support services such as mentoring, counselling, placement guidance, NSS, NCC, sports, cultural activities, and extension programmes. The programme concluded with a Vote of Thanks, expressing gratitude to the Principal and Correspondent, Heads of the Departments, faculty members, organizing committees, and participants, followed by the National Anthem. Overall, the Student Induction Programme gave the freshers a warm welcome and a clear understanding of the academic and extracurricular opportunities available, enabling them to begin their college journey with confidence.

# Raindrops and Reveries

A sudden shadow steals the afternoon,
As heavy clouds blot out the faded sun.
The first sharp tap arrives, a welcome boon,
And one by one, the liquid threads are spun.

Against the glass, a rhythmic, soft refrain,
Each bead a mirror for a passing thought.
The world outside dissolves in sheets of rain,
While inside, quiet tapestries are wrought.

Lost in the blur of silver-tinted skise,
The mind drifts far beyond the window pane.
Old memories and waking dreams arise,
Washed clean and born anew within the rain.

# BETWEEN RAINDROPS & REVERIES

*The rain falls softly from the sky, Like a sweet and gentle song.*
*It fills the world with peace and joy, And helps our hearts stay strong.*

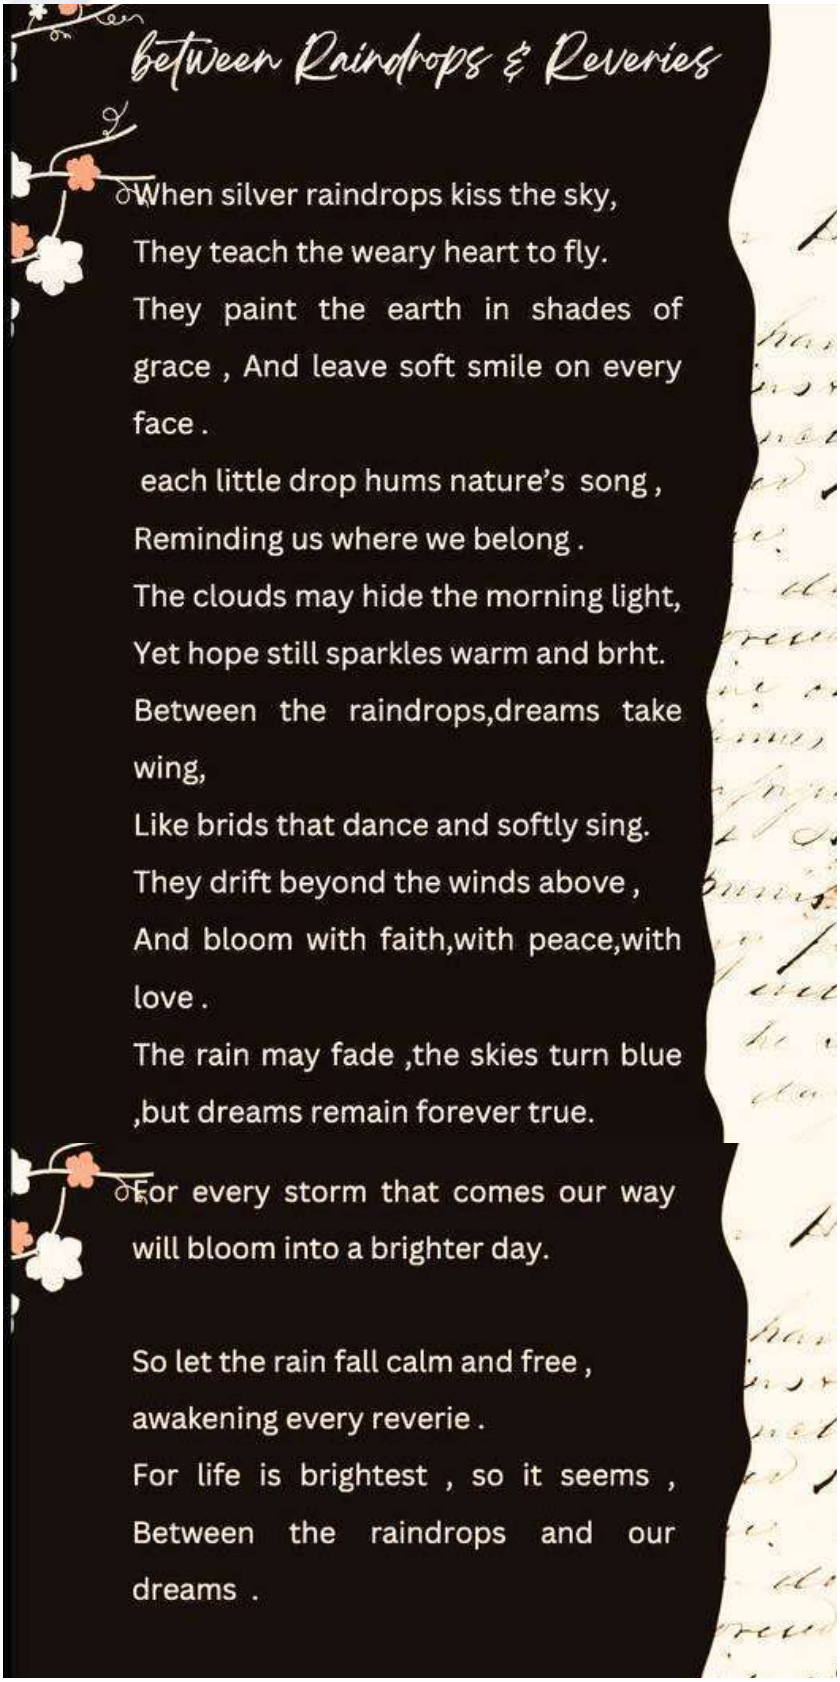

*Each raindrop tells a little story, Of hope, love, and new dreams.*
*The flowers smile after the rain, And the rivers sparkle like streams.*

*I close my eyes and hear the rain,*
*It washes every fear away.*
*It gives me courage to dream big, And welcome every new day.*

*Between raindrops and quiet dreams, I find a happy place inside.*
*The rain reminds me to believe, With hope and faith as my guide.*

*Every storm will come and go, The sun will always shine again.*
*Like a rainbow after the rain, Our dreams will bloom in the end.*
