PANDEMIC

A single microbe strangled the mankind;

The busy world became bizarre.

Mask became mandatory

With social distancing and self-hygiene.

Meanwhile, the nature re-habilitates

To make the biosphere equilibrate.

Flora and fauna started thriving

With pollution depriving.

But people halted in their house,

With great fears that arouse.

The present became fragile

And the future started fading.

Poverty and Pandemic joins together

And made us bother.

Some lost their livelihood;

While others lost their lives.

Yet, there is hope

To overcome!

"அவசரம்"

உயிருக்கு போராடுபவனும்

வேகமாக செல்கிறான்,

நலமாக வாழ்பவன்

அவனையும் விரைந்து செல்கிறான்,

அவசரமாக செல்ல வேண்டியது

அவசர ஊர்தியே

உன் ஊர்தி அல்ல,

வலியில் செல்பவனுக்கு

வழி விட்டு செல் நண்பா.

YOUR SMILE

(My Ms. A)

In my darkest hours,

Your smile makes a spark.

To my empty thoughts,

Your smile fills up a memory.

During my plights,

Your smile comes like a boon.

In my silent stillness,

Your smile blows a tempest.

To my tasteless life,

Your smile adds flavors.

During my droughts,

Your smile pours like a rain.

On my speechless lips,

Your smile draws a curve.

Of my beating heart,

Your smile steals a beat.

During my lost ways,

Your smile aids as a compass.

And with your smiles,

I always find the lost me.

TIME AND ME

Time fades away

As the sky turns blue to grey,

Looking at the sky,

With teary eye,

Remembering days so long in the past,

Wanting to grow fast,

My little hands and little face,

I grease it with happiness and solace.

I Wish I can hold you

One more time before you grow,

And tell you that I love you,

So that you will always know.

My memories are what I left

and a lesson I will not forget,

The time has come when the time is no more

And all that left was once and before,

Now that I have become grey and old

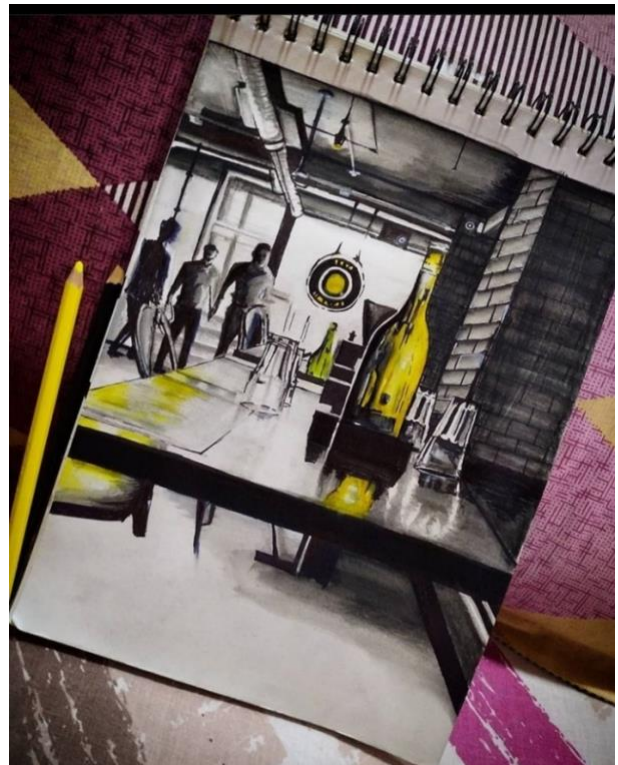

I am holding my memories untold
