Teacher is not just a word  
 But it's an emotion and feeling  
 Your knowledge acts as wound's healing  
 You are the person of most appealing

You strive hard to paint our mind  
 You are dominant for every mankind  
 You inspire us to aspire  
 Only your time and love we require

There's a sweetness in your rage  
 And also love at your glares  
 You hold our fingers at every stage  
 You prepare us and always cares

You are not our own mother  
 But as important as a mother  
 Your patience, nobody can beat  
 Like you, nobody can treat

Thank you for helping us  
To learn all that we know  
We will always remember  
As through the years we grow.
