### DAYDREAM

I was dreaming of a world afar,  
Driving in my own flying car.  
I thought of riding a broomstick,  
And disappearing myself with a finger's click.  
A world where I can show you my tricks,  
And the crowd would go LUNATIC.  
A place of which I can never get homesick.  
And suddenly I was awake by a KICK!  
I saw myself and then reality hit,  
My mom was shouting, "Do your work QUICK!"

### TIME

Always add value to the time you have,

Because once it's spent it never comes back.

People say "Time is worth more than money",

I say "Time is a luxury which can never be brought ".

Time is priceless, use and cherish it well,

You never know when our life will end.

Time is eternal,

Time is important,

If you don't understand the value of it,

You're not worth it.

Remember not all your time is equal or right,

You have to make it perfect for your life.
