PROSPECTUS

Postgraduate Programs

This Prospectus is published for the information of all prospective students and their parents / guardians, who are requested to study it carefully before applying.

2023-2024

THE COLLEGE

The College was established in the year 1955 under the auspices of the Southern India Education Trust. Admission is open to all eligible women students, irrespective of their religion, caste, creed or community.

The College has been accredited with an Outstanding 5 STAR Status in 1999 by the NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL (NAAC) and again re-accredited with an Outstanding 'A PLUS' Status in 2007. In the third cycle of Accreditation in 2013, the College has been awarded an Outstanding CGPA of 3.61 (out of 4) at 'A' Grade. The College was granted the status of College with Potential for Excellence (CPE) by the UGC in April 2016. In the fourth cycle of accreditation in 2022, the college has been awarded A⁺⁺ Grade with CGPA of 3.58 in the 4th Cycle.

VISION

To train and equip women students from economically and socially backward communities with education of the highest quality so that they may lead responsible and purposeful lives and transmit and transmute their achievement's to the betterment of society.

MISSION

To empower and to impart education of the highest quality with secular values to the young women from all strata of society irrespective of caste and creed thereby transforming them into emotionally – balanced and enlightened intellectuals of upright character and conduct, dedicated to the ideals of social upliftment.

INFRASTRUCTURE

The College is spread across an area of 13 acres of lush greenery. It has spacious and adequate classrooms that are well-furnished. It has well-equipped laboratories with the latest equipment in the Science Departments to enable students to perform experiments.

It has a playground with a 200-metre turf track and separate courts to play volleyball, basketball, tennis and throw ball. This is the only college in the city which has a swimming pool exclusively for women and which is open to all the students of the college free of cost. The college is equipped with a fully functional canteen which serves hygienically prepared food to the students and staff members.

A splendid air-conditioned Auditorium and a well-equipped Seminar Hall to conduct International, National and State-level Seminars, Conferences and Symposia are its additional features.

The Academic landscape in any field is ever evolving with new knowledge because of sustained research. The College strives to create a Research Culture that will help to create inquisitive minds. A Multi-Disciplinary Research and Consultancy Centre (MRCC) has been established to further research activities in the College. The Central Instrumentation Centre facilitates Inter-disciplinary research. An E-learning Centre with computers and internet facility provides access to On-line content.

With the intention of making our students physically and mentally strong and to enjoy the glow of good health, an exclusive Gymnasium has been set up with all the necessary equipment.

TEACHING METHODOLOGY

The Faculty in every department are highly qualified, deeply committed and totally devoted to their profession. They adopt interactive methodologies of teaching. Smart Classrooms with the latest ICT, enhances the Teaching- Learning experience.

LIBRARY

The College has a spacious library equipped with the latest books, magazines and journals. Students can access the internet free of charge and refer to e-Journals, e-Books through INFLIBNET and N-LIST (National Library and Information Services Infrastructure for Scholarly Content).

To instill and encourage a research spirit among students, the college has subscribed to the Scopus research database. The students can access a variety of scientific journals, books and conference proceedings across all disciplines.

The database can be accessed in the college from computers at the E-learning Centre, the Library and the departments. The Library Convention Hall serves as a hub of interactions, activities and events.

CAMPUS PLACEMENTS

The Career Guidance and Placement Centre of the college organizes On-campus placements for the PG final year students. Apart from the placements, the centre conducts regular Workshops, Seminars and Training programmes on Interview Skills and Personality Development, Aptitude and Psychometric tests are also conducted to benefit the students.

Some of the top companies that recruit our students every year are: Wipro Technologies, Cognizant Technology Solutions, TCS, Citi Bank, Capgemini, Mr. Cooper, Infosys, Episource, RBS, Sutherland, PKG, HCL, Jain Housing, Accenture, Congruent Solution, CAMS, MMC Infotech and International Schools.

ACADEMIC PROGRAM

The College is an autonomous institution and has adopted the “Choice Based Credit System” in conformity with the recommendations of the Tamil Nadu State Council for Higher Education. In the Credit System, each subject offered is assigned a credit depending upon the quantum of work required to complete the study of the subject. Subjects have been designed with a weightage assigned to each course and a student must necessarily acquire a minimum of 91 credits to receive a Master’s degree.

The College timings are from 7.55 a.m. to 12.55 a.m. and the minimum working days required are 90 in a Semester.

THE MEDIUM FOR INSTRUCTION, TEACHING AND EXAMINATION IS ENGLISH.

Courses Offered Under the Choice Based Credit System (CBCS)

PROGRAMS OF STUDY:

M.A. / M.Sc. / M.Com. / M.Phil. / Ph.D.

Under the Choice Based Credit System (CBCS)

M.A. English

M.Sc.

1. Applied Psychology

2. Zoology

3. Home Science

Br. IV – Textile Science and
Fashion Designing

Br. V – Child Development and
Child Nutrition

M.Com. Commerce

M.Phil.

1. Applied Psychology

(Spl. Student Counselling)

2. Home Science

Br. IV – Textiles and Clothing

Br. V – Human Development
and Family Studies

3. Commerce

4. Zoology

Ph.D. – Full Time

1. Psychology

2. Zoology– Environmental
Sciences/Environmental
Biotechnology/Animal
Physiology/Aqua Culture
Interdisciplinary

3. Home Science

4. English

Ph.D. – Part Time

1. History

2. Tamil

The Postgraduate programme has
the following components:

Part I –

(a) Core

(b) Core Electives / Project

Part II –

(a) Supportive

(b) Interdisciplinary

(c) Soft Skills

Every Post Graduate Degree Course requires student to participate in an “OUT REACH” programme and to complete an “INTERNSHIP” programme which may require the students to go outside the campus.

P.G PROGRAMMES

Core, Elective and EDP/Soft Skill Subjects and Future Prospects are as follows:

PROGRAMME	ELIGIBILITY CRITERIA
