DEPARTMENT OF CHEMISTRY

National Upcycling Day

The Department of Chemistry conducted an exhibition on 24th June 2024 to commemorate "National upcycling day". The word **UPCYCLING** means to reuse in such a way as to create a product of higher quality or value than the original.

The students of the chemistry department made many useful and decorative items out of waste and displayed them in front of the auditorium. Prizes were given to the best upcycled products.

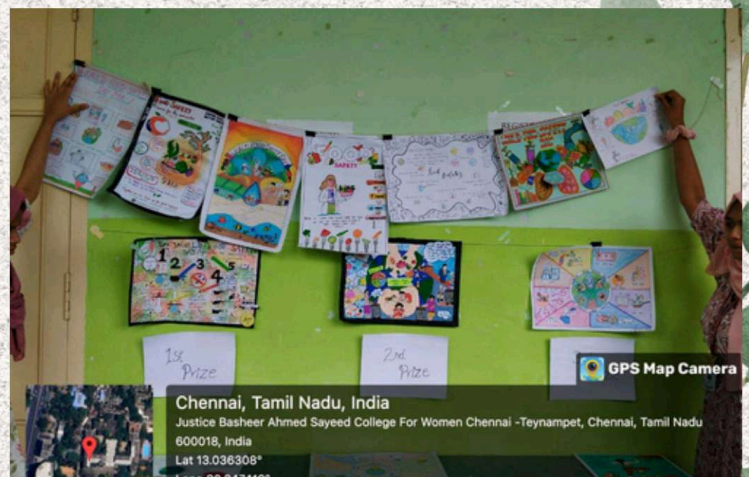

DEPARTMENT OF HOME SCIENCE

WORLD FOOD SAFETY DAY

The Department of PG Studies and Research in Home Science of JBAS College celebrated "World Food Safety Day" on 7th June 2024. The chief guest, Dr. P Satish Kumar, officer of Food Safety Department, Chennai, spoke on 'Measures to ensure food safety and on the importance of adolescent girls' health. The special guest, A.T. Cauvery, Founder and Consultant Dietician Elite Diet Studio Chennai, addressed students on food safety in day to day life.

Inter-departmental competitions such as poster making, photography, case study, and quiz were also conducted to commemorate World Food Safety Day. Students from the Department of Home Science spread awareness on food safety through posters and models, with over 150 students benefiting from this event.

DEPARTMENT OF HOME SCIENCE NUTRITIONAL MYTHS BUSTER

On June 27, 2024, the Nutri Club of the Department of PG Studies and Research in Home Science of JBAS College organized a workshop, "Nutritional Myth Busters." Students from various departments participated in the event, which aimed to debunk common nutritional myths with factual explanations. The workshop included a question-and-answer session to enhance understanding. At the conclusion of the session, students provided feedback, which was overwhelmingly positive.
